Legal Ethics in a Nutshell Ronald D. Rotunda,2007 Many law professors aim to probe deep ethical issues in class But they need to cover the material that the Multistate Professional Responsibility Examination requires The Rotunda Nutshell fulfils that need as it digests the Model Rules in an engaging analytical and often critical way In a surprisingly pithy manner this book places the Rules in an historic context that lets the student understand problems with prior versions of the Rules and the Model Code The Nutshell also analyzes the American Law Institute s Restatement of the Law Governing Lawyers Third This approach frees up precious class time for important normative issues And this Nutshell helps your students come up with better answers to your Socratic questions than you anticipated **Legal Ethics in a Nutshell** Ronald D.
