Love the Questions Catherine Fraser, 2023-10-10

With boundless amounts of information available, it is vital that students become skilled at the art of research. In *Love the Questions: Reclaiming Research with Curiosity and Passion*, author Cathy Fraser outlines ways students can engage with their research projects and truly internalize and transform content. Inside, you'll learn how to do the following:

- Honor students' passions, interests, and questions by teaching how to embrace inquiry, curiosity, and exploration.
- Teach students how to frame relevant questions throughout the research process and make the information personal.
- Develop authentic projects that include surveys, experiments, and interviews.
- Assess skills, not just memorization, by recognizing and legitimizing what students are doing with research on their own.

Fraser also includes mini-lessons, practice activities, graphic organizers, and student examples within the book. *Love the Questions* recommends teachers and students work with librarians and other school leaders as educational partners, helping students continue to develop their analytical and logical skills.
