Fire on the Mountain: Addressing Idolatry Riaan Engelbrecht, 2023-08-21 There is a fire on the mountain It is a wildfire of apostasy tearing through the church fuelled by idolatry It is because of the winds of false doctrine that this wildfire keeps spreading and it has been causing massive damage for hundreds of years to the church Yet the fire is not being checked addressed or effectively extinguished by believers The fire of apostasy has been receiving plenty of fuel for the last 1800 or so years to be a raging inferno Yes there is a profane fire burning on the altars build on the spiritual high places An increasing level of idolatry and spiritual apostasy plagues the world and the church The fire of

idolatry has swept through churches for a long time consuming and destroying It is the profane fire An unholy fire Who shall contain the fire It is time for the church to earnestly address idolatry in her midst for idolatry is an abomination in the eyes of God God alone shall be worshipped He should be our highest devotion and our heart's desire above all Idolatry is not a trivial matter as Israel discovered God is calling for concerted and real action from the church to address idolatry for our God is a jealous God and He is an all consuming fire He must be our First Love nothing else and certainly no one else including the self
