Exam success P. Gajana, N. Mdekazi, N. Ngomela, F. Sotashe, 2007 **isiZulu Handbook and Study Guide**
Berlut, 2018-01-01 A comprehensive isiZulu FAL reference book and set of notes that covers everything in one book **The Oxford Guide to the Bantu Languages** Lutz Marten, Ellen Hurst-Harosh, Nancy C. Kula, Jochen Zeller, 2025-08-19 This volume brings together leading scholars from Africa Europe the Americas and beyond to provide a detailed account of the languages of the Bantu family which cover an area from Cameroon and Kenya in the north to South Africa in the south The Bantu family is part of the Niger Congo phylum and one of the world's biggest language groups comprising around 500 languages The family includes major languages with large numbers of speakers such as Zulu Kinyarwanda and Swahili the most widely spoken and taught African language as well as many community languages and several endangered languages Bantu languages feature prominently in the complex and multilingual language ecologies that are characteristic of the linguistic situation in much of Africa and they provide rich evidence for the study of theoretical and comparative linguistics language contact and language change They play an important role in education commerce culture and artistic expression in the media and public discourse in governance and social justice and are central to the future of the continent and the well being of its communities The first part of The Oxford Guide to the Bantu Languages provides background and context with chapters exploring the history of research in the field language and prehistory in Bantu speaking Africa and typology and variation Chapters in the second part offer broad comparative overviews of Bantu phonology morphology syntax semantics and pragmatics socio and applied linguistics before Parts III VII cover more specific topics in Bantu linguistics across a variety of subfields ranging from structural issues such as the augment and melodic tone to historical and sociolinguistic topics such as Bantu languages in the diaspora and language policy and standardization The chapters in the final part offer individual structural overviews of a range of languages from across the Bantu speaking area The book will be an essential resource for students and researchers specializing in the Bantu languages and for typologists and comparative linguists more broadly **The African Book Publishing Record**, 2007 **Multilingual Universities in South Africa** Liesel Hibbert, Christa van der Walt, 2014-04-03 Focusing on the use of African languages in higher education this book showcases South African higher education practitioners attempts to promote a multilingual ethos in their classes It is a first time overview of multilingual teaching and learning strategies that have been tried and tested in a number of higher education institutions in South Africa Despite language in education policies that extol the virtues of multilingualism practice remains oriented towards English only learning and teaching In the multilingual contexts of local campuses this book shows how students and lecturers attempt to understand their multiple identities and use the available languages to create multilingual learning environments South African national bibliography, 1999 Classified list with author and title index **African Languages in Classrooms and Academia: Intellectualisation and Empowerment through Formal Education** Xolisa

Tshongolo,2024-12-02 To date there have been few comprehensive books published which deal specifically with the role of African languages in academia and formal education Motinyane Mletshe and Tshongolo as editors have produced a book that fills this gap In this timely collection of 21 chapters written in African languages and English the contributors offer a critique of both language practice in the classroom as well as language planning policy creation and implementation challenges A timely and innovative contribution in the area of language in education teaching pedagogy as well as multilingualism

Knowledge Beyond Colour Lines Monwabisi K. Ralarala,Salochana Lorraine Hassan,Rajani Naidoo,2021-05-25 Knowledge remains timely in education The need for academics to contemplate its relevance worth use and everything in between deems a continuous intellectual project rather than a conundrum to be solved This book takes the South African context by the horns as it challenges the often dormant and traditionalist ways in which higher education spaces see knowledge Through original research and the voices of academics and students this book argues for repurposing knowledge generation knowledge sharing and critical pedagogy so that more inclusive teaching and learning environments can be both imagined and sustained The contentious tensionalities that this creates for LoLT and SoTL in particular are unlocked so as to trouble the South African higher education landscape with the intent to proffer alternative pathways for a knowledge beyond colour lines Prof Shan Simmonds PhD NWU This edited volume bristles with fresh scholarly approaches and insights of an emergent generation of engaged scholars grappling with the issues and problems of higher education in South Africa The issues dealt with here are varied and encompassing They are treated with intellectual delicacy and probing sensitivity articulacy informed data and bold conclusions They serve well Prof Kwesi Kwaa Prah Emeritus Professor of Sociology University of the Western Cape Founder of the Centre for Advanced Studies of African Society **Phonemes, Graphemes and Democracy** Zandisile W. Saul,Rudolph Botha,2024-06-07 This book provides comprehensive guidelines on important aspects of isiXhosa

orthography such as word division spelling and capitalisation Authors primary focus has been those challenging areas of standardisation which have not yet been attended to The book makes an important contribution to the development of isiXhosa into a fully functional medium of teaching and learning in Higher Education and facilitate the enhancement of its status as one of South Africa s official languages Print editions not for sale in Sub Saharan Africa English as a Language of Learning, Teaching and Inclusivity Liesel Hibbert,2023-08-18 Hibbert explores South Africa s higher education crisis utilising case studies and first hand experiences with English as the language of instruction The historical overview provides a framework with which to understand the complicated nature of using English as a language of instruction in South Africa past and present Student narratives are presented to illustrate mainly breakthroughs but also challenges An overview is provided of imported English teaching methodologies and how they have emerged and developed in the local educational system over decades It is demonstrated how these methodologies relate to socio economic and political events and trends at each juncture By applying defamiliarisation as a research method of investigation students translanguaging struggles are

recorded and discussed both pre pandemic and in the pandemic period The experiences of non monolingual English speaking staff and students and of local English African language bilinguals is foregrounded as they are by far the majority in South African higher education and schools The relevance of the experiences and learning paths of those staff and students is enhanced This book aids lecturers across disciplines and English language facilitators in the improvement of English acquisition curricula through exposure to arguments case studies and learning path narratives in this volume and prompts and inspires researchers to develop further theories and experiments in their own context *Languages, Identities and Intercultural Communication in South Africa and Beyond* Russell H Kaschula, 2021-08-23 African countries and South Africa in particular being multilingual and multicultural societies make for exciting sociolinguistic and applied language analysis in order to tease out the complex relationship between language and identity This book applies sociolinguistic theory as well as critical language awareness and translanguaging with its many facets to various communicative scenarios both on the continent and in South Africa in an accessible and practical way Africa lends itself to such sociolinguistic analysis concerning language identity and intercultural communication This book reflects consciously on the North South debate and the need for us to create our own ways of interpretation emanating from the South and speaking back to the North and on issues that pertain to the South including southern Africa Aspects such as language and power language planning policy and implementation culture prejudice social interaction translanguaging intercultural communication education gender and autoethnography are covered This is a valuable resource for students studying African sociolinguistics language and identity and applied language studies Anyone interested in the relationship between language and society on the African continent would also find the book easily accessible **Multilingualism in Mathematics Education in Africa** Anthony A. Essien, 2023-12-14 This book brings together the first book collection of African research in mathematics education in multilingual societies and chronicles current research in different linguistic contexts across the African continent including Algeria Namibia Malawi Morocco Rwanda South Africa on issues of multilingualism in mathematics education but more importantly it foregrounds pertinent issues for future research With many of the authors building on earlier path breaking African research the book is a unique contribution of careful thinking through how linguistic diversity and multilingualism manifest in ways that differ from one geopolitical context to another This volume is an important contribution to the growing recognition of multilingualism as the global linguistic dispensation in mathematics education It is an invitation to how we might as an international community where more and more multilingualism is the norm rather than an exception pay more attention to the multilingual agency and capabilities of both students and teachers in order to better harness the epistemic potential of multiple languages in contexts of language diversity in mathematics education Multimedia Research and Documentation of Oral Genres in Africa Daniela Merolla, Jan Jansen, Kamal Naït-Zerrad, 2012 This book approaches a central concern of oral literature studies worldwide with a special focus on Africa how to deal with oral genres in a world where new

technologies have become available to more and more people As the book asserts what is new is that the spotlight is directed towards old and new interlocutors who cooperate in the making of technologized oral genres in an increasingly technologized world Their interactions affect the performance as well as research their roles and positions raise methodological and ethical questions particularly when local national identities and commercial interests are at stake Series African Studies

Afrikanische Studien Vol 45 Afrikaans Linguistics WAM Carstens, Nerina Bosman, 2024-10-03 Offering a contemporary exploration of the multifaceted landscape of Afrikaans linguistics Afrikaans Linguistics Contemporary Perspectives marks a seminal contribution to the field This volume for the first time presents accessible insights into diverse linguistics subdisciplines inviting international scholars to familiarise themselves with Afrikaans language studies Throughout much of the late 19th and 20th centuries Afrikaans scholars predominantly communicated in Afrikaans resulting in a significant gap in the dissemination of knowledge about the language The chapters in this book written by prominent South Africans as well as international scholars working in the field of Afrikaans serve as a pivotal bridge by providing essential historical context while also paying attention to the development of Afrikaans linguistics during the 20th century The primary focus remains on illuminating 21st century research trajectories offering a comprehensive snapshot of contemporary scholarship in Afrikaans linguistics *Handbook of Qualitative Cross-Cultural Research Methods* Pranee Liamputtong, 2022-12-28 This Handbook
