Hijacking Jesus Jason Jimenez, 2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don t realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh *Hijacking Jesus* addresses perennial questions about the nature of Christ and his teaching testing the historical and

theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus s life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior

John Warwick Montgomery's Legal Apologetic Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age *Systematic Theology, Volume 1, Fourth Edition* James Leo Garrett,2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991A gold mine of helpful material The Christian Century May 29 June 5 1991No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological SeminaryOne of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary **How to Study the Bible** Greg Herrick,2002-04 One of greatest joys in life is being able to read

and understand a passage of scripture for yourself Such is the ultimate goal of this Bible study program We want you to be able to feed your own soul from Gods word and then turn around and help others as well George Burns once said Id rather be a failure at something I enjoy than a success at something I hate The good news for Christians is that these are not the only two options why not be a success at something you like How To Study the Bible is specifically designed to help you become a success at studying Gods word studying it faithfully honestly prayerfully obediently and intelligently Sacred Places C.J. Scott,2017-03-16 Sacred Places is a book that looks at the biblical theology of place exploring its central importance in Gods creation and mission It takes its readers on an expository journey through place from the Garden of Eden to the New Jerusalem discovering the pattern of placement displacement and replacement in life and faith If you are a Christian seeking to understand the Bibles teaching on place and how that affects both our faith and lives in the world then this book is for you It will open your eyes to the central importance of place and give you direction on how you can apply a healthy understanding of place to your life as a disciple of Jesus Christ making you a better place maker and dweller The thesis of this book is that place is far more important than we ever could have imagined I am specifically proposing that 1 places are sacred because of Gods decree and personal presence 2 place plays a major role in Gods creative and redemptive purposes and 3 Gods people are called to be both place makers and dwellers Check out the official website of Author and Teacher C J Scott at humblemajesty.com Visit the Place Makers blog at placemakers.blog In association with Worldwide Mission Fellowship Visit the website at wwmf.org *Themelios, Volume 38, Issue 3* D. Greek Is Great Gain William J. Larkin,2008-03-01 Greek Is Great Gain presents to students and pastors an exegetical method with a rigor worthy of Scripture and a practicality suitable for weekly use It has additional features that enable the expositor to see holistically the role of Greek in ministry The introductory chapters give the rationale basic definitions and presuppositions for a Greek based exegetical method After describing ways to maintain Greek reading proficiency and ways to prepare the text in translation and visually in mechanical layout Greek Is Great Gain devotes the bulk of its pages to a step by step exegetical method From surveying the text to viewing the text in its historical and literary context and genre from engaging in analysis of grammatical and rhetorical features to addressing lexical and theological matters the method guides expositors to unlock the meaning of the text Then having analyzed the text closely the method directs expositors to view the text whole through exegetical outline and the relation of its message to its book and to Scripture as a whole Finally after interpreting and applying the text s message in and for today s culture the method instructs the expositor in appropriating the fruit of exegesis for the sermon or Bible lesson A final chapter describes possibilities for periodic in depth study As Greek Is Great Gain presents each part of the method it gives a purpose or rationale for the step and any necessary background a list of resources to use a procedure to follow and a sample exegesis A Grammar Guide appendix gives in outline form features of form and function for intermediate grammar And there are charts to aid in analysis Greek Is Great Gain clearly lives up to its subtitle in providing a method that successfully moves preachers or teachers of the Word from Exegesis to Exposition

Luke 6:40 and the Theme of Likeness Education in the New Testament Thomas W. Hudgins,2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Testament corpus

Eccentricity in Anthropology Stephen R. Milford,2019-06-07 Eccentricity in Anthropology brings into conversation a constructive critical interpretation of

David Kelsey's *Eccentric Existence* with a central yet often overlooked debate in theological anthropology the substantive relational *imago Dei* Milford's work explores new insights into human identity and dignity In particular he demonstrates the value of an alternate constructive of humanity in the image of God This construction utilizes an interpretation of Kelsey's anthropological formula so as to describe human identity as part of the created order in terms of its myriad features which are externally rooted Eccentricity in Anthropology demonstrates that an alternate approach to this debate is possible and that one can combine important aspects of both substantive and relational thinking As such Milford's work is an important contribution to studies in the doctrine of the *imago Dei* Taking *Eccentric Existence*'s invitation to act as a springboard for further debate seriously it presents one possible fruitful use of Kelsey's work to address theological anthropological questions In a very real sense this book is both a discussion in systematic theology and at the same time a work in contemporary historical theology

FAITH ADRIFT CHRISTIANITY Cecil W. Stalnaker, 2022-07-27 *Faith Adrift Christianity* is a biblical response to a devastating form of Christianity that has gripped the heart and soul of many Christians and their churches namely that of nominal Christianity This form of Christianity is counterfeit at its best and is one of the greatest challenges facing the church today whether Protestant Catholic or Orthodox It is estimated that an alarming 75% of professing Christians are living lifeless forms of their faith Although so many identify as Christians something is strangely wrong Sadly wavering in the Christian faith is more common than not Millions of professing Christians in America and Europe are adrift spiritually and indifferent to Jesus Christ and his church This deceptive form of Christianity is not only personally detrimental to the Christian but devastating to the life of the local church Being a weak form of Christianity the church loses its saltiness and its light dims It nullifies its penetrating and powerful outreach into society If not countered Christians will continue to drift toward the sea of nominally having nothing but a token relationship with God For this reason *Faith Adrift Christianity* is an indispensable guide because it reveals counters and provides answers from a biblical perspective to churches regarding those who profess Christ yet live lapsed Christian lives The uniqueness of *Faith Adrift Christianity* is its biblical analysis as to why people manifest an aloofness regarding God Yet it does not merely cite the problems and leave the reader adrift for it offers effective means to combat this very troublesome challenge
