appropriate for a Manual of the game In the first part of the Manual will be found a guide to young beginners in the game from the pen of Mr Charles H Stanley taken from a work on chess published by Mr De Witt some twenty years ago These chapters cannot well be improved upon and as they were written when that chess veteran was in his prime we present them unchanged About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
