Uncontrollable Thoughts Through Poetry In English, Portuguese, Spanish Jorge Torrez, 2013-08-07 The book is intended for everyone but especially those suffering with an affliction My intended goal is to provide solace and comfort to those individuals who feel lonely and insecure It is through informal lyrical rhyme in the poems which are inspired from the middle ages short verse that I bring forth my poetry For I myself am suffering from an illness in which I search for support in others through readings or any other source that is a fountain of positive affirmations **A Very English Hero** Peter J. Newari-English Dictionary Thakur Lal Manandhar, 1986 *The Critic* , 1885 **The Critic** Jeannette Leonard Gilder, Joseph Benson Gilder, 1885 *At the Crossroads of the Senses* Polina Dimova, 2025-03-04 Inspired by Richard Wagner s idea of the total artwork European modernist artists began to pursue multimedia projects that mixed colors sounds and shapes Polina Dimova s At the Crossroads of the Senses traces this new sensory experience of synaesthesia the physiological

or figurative blending of senses as a modernist phenomenon from its scientific description in the late nineteenth century to its prevalence in the early twentieth. Structured around twenty theses on synaesthesia, this book explores the integral relationship between modernist art, science and technology, tracing not only how modernist artists perceptually internalized and absorbed technology and its effects but also how they appropriated it to achieve their own aesthetic, metaphysical and social goals. Through case studies of prominent multimodal artists: Oscar Wilde, Aubrey Beardsley, Richard Strauss, Aleksandr Scriabin, Wassily Kandinsky, František Kupka, Andrei Bely and Rainer Maria Rilke, *At the Crossroads of the Senses* reveals the color forms and color sounds that for these artists laid the foundations of the world and served as the catalyst for the flourishing exchanges among the arts at the fin de siècle. Rooted in archival research in Russia, Germany, France and the Czech Republic, *At the Crossroads of the Senses* taps overlooked scientific sources to offer a fresh perspective on European modernism. Sensory studies scholars, literary critics and art and music historians alike will welcome its many contributions, not least among them a refreshing advocacy for a kind of sensuous reading practice.

Fibre & Fabric, 1910 **One Step to You** Federico Moccia, 2021-03-02 Read the inspiration for the Netflix original series *Summertime*, a deep passionate romance that transcends time and age. Booklist: Babi and Step are the Romeo and Juliet of their time, spending the best days of their lives together in the Eternal City but belonging to opposite worlds; they may eventually tear them apart. It begins with a chance meeting at a traffic light, one that draws a young woman's attention to the stranger on a motorbike. In that one moment, the fates of Babi Gervasi and Step Mancini are altered. Babi, poised on the brink of a predictable future, will risk everything to be with Step. Step, running from his past, will find the one thing missing from his life. Sharing days on the streets of Rome and nights under a blanket of stars, they belong in each other's arms. Even as they fear their time together will be brief, they know their hearts will remember forever.

The Multicultural Dictionary of Proverbs Harold V. Cordry, 2015-08-31 All cultures have proverbs that capsule subjects simply and effectively. Many of these are cross-cultural. For example, according to a Danish proverb: 'The greater the fear, the nearer the danger,' while a Latin proverb says: 'The less there is of fear, the less there is danger.' This work includes over 20,000 proverbs from more than 120 languages, nationalities and ethnic groups. The proverbs are arranged under 1,300 headings, e.g. accidents, divided loyalty, marriage, prosperity, shame, and each includes the nationality, group or language in which it originated. Comprehensive keyword and subject indexes allow access to the material in multiple ways.

Performing Salome, Revealing Stories Dr Clair Rowden, 2013-10-28 With its first public live performance in Paris on 11 February 1896, Oscar Wilde's *Salome* took on female embodied form that signalled the start of her phenomenal journey through the history of the arts in the twentieth century. This volume explores *Salome*'s appropriation and reincarnation across the arts, not just Wilde's heroine nor Richard Strauss's but *Salome* as a cultural icon in fin de siècle society whose appeal for ever new interpretations of the biblical story still endures today. Using *Salome* as a common starting point, each chapter suggests new ways in which performing bodies reveal alternative stories, narratives and perspectives, and

offer a range and breadth of source material and theoretical approaches The first chapter draws on the field of comparative literature to investigate the inter artistic interpretations of Salome in a period that straddles the end of the nineteenth century and the beginning of the Modernist era This chapter sets the tone for the rest of the volume which develops specific case studies dealing with censorship reception authorial reputation appropriation embodiment and performance As well as the Viennese premiere of Wilde s play embodied performances of Salome from the period before the First World War are considered offering insight into the role and agency of performers in the production and complex negotiation of meaning inherent in the role of Salome By examining important productions of Strauss s Salome since 1945 and more recent film interpretations of Wilde s play the last chapters explore performance as a cultural practice that reinscribes and continuously reinvents the ideas icons symbols and gestures that shape both the performance itself its reception and its cultural meaning
