Resurrection is not just a book it s a journey A powerful collection of poems and artworks by Nastasja Buckwar this book traces the winding road from darkness to light from trauma to transformation Each piece is part of a healing process that refuses to stay silent giving voice to pain resilience and the unbreakable will to live Structured in phases the book mirrors the rhythm of recovery from the rawness of fragmentation through confrontation reflection and empowerment toward the gentle arrival of self acceptance and inner peace With every poem the reader is invited not only to witness but to feel to remember and to rise Nastasja Buckwar writes with honesty and vulnerability drawing from her own experiences of abuse silence and survival Her words and images offer companionship to those who are still walking through their own shadows a reminder that even in brokenness beauty can bloom This is a book for anyone who has ever felt lost unseen or too much A book for those who keep walking A resurrection *Emma* Raven A.Wolf,2025-02-22 *Emma The Curse Unleashed* Emma Ravenwood s life takes a dark turn when she begins experiencing terrifying hauntings by Laura Harrington s vengeful spirit As a psychic and life coach Emma s abilities awakened by a traumatic past have always helped her guide others However the malevolent force now tormenting her is unlike anything she has encountered The hauntings grow increasingly violent and invasive shattering Emma s sense of peace and driving her to confront the darkness headon Her investigation into the disturbances leads her to unravel unsettling connections to her late mother Catherine Ravenwood She discovers that the hauntings are tied to an ancient amulet with a mystical legacy a family heirloom with secrets that have remained buried for decades Emma s search for answers uncovers a web of supernatural mysteries and hidden truths She learns that the amulet is not merely a relic but a key to understanding the curse that has haunted her family for years The more Emma delves into her family s past the more she realises that the curse s roots run deep intertwined with her own psychic abilities and her mother s unresolved history Amidst the turmoil Emma finds unexpected support from Michael a new acquaintance who becomes an ally in her struggle Michael s presence brings both comfort and strength offering Emma a semblance of normalcy as she battles the increasingly aggressive spirit Their growing relationship provides a beacon of hope as they navigate the harrowing challenges posed by the haunting The climax of Emma s journey is a confrontation with Laura s spirit who reveals the full

extent of her rage and desperation Emma must face her deepest fears and confront the spirit's demands to uncover the truth behind Laura's torment The final showdown forces Emma to come to terms with her own inner demons and the pain from her past that has been brought to the surface by the curse In a gripping resolution Emma must use her newfound understanding of the amulet and her psychic abilities to break the curse The process demands not only her strength and courage but also a reckoning with her family's legacy and her own identity Emma's battle is not just against a vengeful spirit but against the haunting shadows of her own life Through the ordeal Emma finds the strength to reclaim her life and achieve a form of closure She comes to understand that while she cannot change the past she can find peace and resolve the torment that has plagued her The curse that once threatened to consume her becomes a catalyst for her personal growth and selfdiscovery leading her to a place of healing and resilience Emma The Curse Unleashed is a story of confronting the supernatural and the self blending psychological tension with a rich exploration of family legacy and the power of the past Emma's journey is one of courage redemption and the unyielding quest for peace

Ovid and the Moderns Theodore Ziolkowski,2005 The reasons for the conspicuous popularity of Ovid his life as well as his works at the turn of the new millennium bear investigation This book speaks of the new bodies assumed in the twentieth century by the poems and tales to which Ovid gave their classic form including prominently the account of his own life which has been hailed by many writers of our time as the archetype of exile I intend to suggest some of the reasons for Ovid's appeal to different writers and different generations from the Preface Theodore Ziolkowski approaches Ovid's Latin poetry as a comparatist not as a classicist and maintains that the contextualization of individual works helps place them in a larger tradition Covering the period 1912 2002 Ovid and the Moderns deals with the reception of Ovid and of Ovid's works in literature After beginning with a discussion of Giorgio de Chirico's Ariadne paintings of 1912 and the Hofmannsthal Strauss opera Ariadne auf Naxos Ziolkowski considers European literary landmarks from the High Modernism of Joyce Kafka Mandelstam and Pound by way of the mid century exiles to postmodernism and the century's end when a surge of interest in Ovid was fueled by a new generation of translations One of Ziolkowski's conclusions is that the popularity of Ovid alternates in a regular rhythm and for definable reasons with that of Virgil
