Torque Becca Jameson, 2016-11-03 A proposition. An agreement. A risk to the heart. The final explosive installment of bestselling author Becca Jameson's *The Underground* MMA series. MMA fighter Sergei Zholdin has lusted after Agent Taylor Brown from the moment he moved to Chicago. Now the FBI wants him to pretend they're a couple. The idea is laughable. The steam between the two of them is intense. Nevertheless, Sergei agrees to the charade. And they manage to fake like they're into each other for about two minutes. Taylor is in over her head. Moving in with Sergei for the sake of appearances awakens a dormant libido she didn't even know she had. Sergei takes her places she has only dreamed about every time they close the door to their apartment. If anyone finds out the truth, she could get fired. There is a case to solve. A killer to catch. Taylor needs to concentrate on her obligations. Sergei needs to concentrate on his construction job and his MMA training. Their arrangement was never meant to be permanent. The two of them couldn't be more different. The heat inside their bedroom is explosive, but it's temporary, right. This book is a re-release of a previously published book. No additions or changes have been made to the story.

Arcadian Bears Box Set, Volume One Becca Jameson, 2020-07-28 The Arcadian Bears series is a spin-off from Becca Jameson's best-selling Wolf Masters series. The series takes place in the Banff National Park in Alberta, Canada. Rival families who own and operate microbreweries find themselves facing the imminent threat of drought as the Athabasca Glacier slowly disappears. Meet these sexy bear shifters as they find love in the gorgeous mountains where snow falls most of the year and snuggling up inside a mountain cabin is the most appealing pastime. This book is a re-release of a previously published book. No additions or changes have been made to the story.

Where Alphas Dominate Becca Jameson, 2022-12-20 Where Alphas Dominate is a collection of short stories. I've included six novellas from several of my genres: BDSM, paranormal, military, and ménage. Most of these novellas are connected to one of my series: Club Zodiac, Canyon Springs, and The Underground. The last story, a ménage, is a stand-alone novella. Most of these novellas were previously released in some form, but I've gathered them all together so they aren't sitting around in my computer collecting dust. They wanted out. They wanted to be enjoyed. So please enjoy them.

Taming Rex Becca Jameson, 2020-04-28 It's supposed to be a temporary job in a temporary city with a temporary coworker. Erica is a genius. She

already has her master's degree and has landed her first job. She knows she's a misfit but it would seem her new coworker is an even bigger nerd. The only time she can let loose is at the local club, Zodiac. A place where all her fantasies are indulged. Rex doesn't work well with others. How is it possible that the fidgeting nervous woman sent to work with him is also utterly intriguing. As if he doesn't have enough issues, his heart nearly stops when he sees her at his favorite club with another man. Dayton hasn't felt a connection like the one he has with Erica in a long time. He doesn't care what her quirks are. He likes her. And the chemistry between them is nearly perfect. Erica's motto is work hard, play hard. If two men want to fight over her, she's not going to stop them. But she's certainly never been in a predicament like this before. She thought she could juggle a full social calendar. But it's exhausting, entertaining two men and they're behaving like Neanderthals. They need to compromise or take a hike. She does not have time for nonsense.

Club Zodiac Box Set, Volume One Becca Jameson, 2020-07-28 Welcome to Club Zodiac. This continually growing series follows the lives of the owners and patrons of Club Zodiac, which has locations in Miami and Denver. These first three books take place at the Miami location as the three owners of that club find and fall in love with the women of their dreams.

The group of rescued SEALs have opened their own agency. Colette, a PhD student studying abroad, is tired of the constant barrage of bodyguards her father has assigned to her for most of her life. As a politician, his notoriety has always put her at risk. When Colette finds out she's pregnant, she'll do anything to keep her baby a secret, even from her father. Tavis is a former Navy SEAL. He's not a babysitter. But when the Secretary of State hires you to guard his daughter, no is not an acceptable answer. Starting a relationship with the woman he's supposed to protect would get him fired. It would also leave her vulnerable. Falling for each other was never the plan. Tavis's protective instinct has him questioning the course of his life. Colette has a lot of decisions to make, none of them easy. The challenges could either tear them apart or bring them closer together. And when Colette's life is threatened, Tavis must not only protect her but their chance at a future together.
