Family travel to Beijing

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

Best Practices in Writing Instruction, Third Edition
Steve Graham, Charles A. MacArthur, Michael A. Hebert, 2018-12-26. Well established as a definitive text and now revised and updated with eight new chapters, this book translates cutting edge research into effective guidelines for teaching writing in grades K-12. Illustrated with vivid classroom examples, the book identifies the components of a complete high quality writing program. Leading experts provide strategies for teaching narrative and argumentative writing using digital tools, helping students improve specific skills from handwriting and spelling to sentence construction, teaching evaluation and revision, connecting reading and writing instruction, teaching vulnerable populations, using assessment to inform instruction, and more. New to This Edition: Chapters on new topics: setting up the writing classroom and writing from informational source material. New chapters on core topics: narrative writing, handwriting and spelling, planning, assessment, special needs learners, and English learners. Increased attention to reading/writing connections and using digital tools. Incorporates the latest research and instructional procedures. See also *Handbook of Writing Research Second Edition* edited by Charles A. MacArthur, Steve Graham, and Jill Fitzgerald, which provides a comprehensive overview of writing research that informs good practice.

Essays as easy as 1, 2, 3! Teacher Edition Bonnie Holzinger, 2008-08-02. This book uses a unique method created by the author to teach a very simple graphic organizer to students of any age. The main focus of this book is teaching the student to turn a prompt into a topic as well as pre-plan within a limited time frame. Students pre-plan using a structured, consistent organizer. Once they master the technique, the student can write about any subject from a learned comfort level based on repetitive practice. The book allows teachers to copy the pages into transparencies to be used on an overhead. It includes unique peer edit pages that allow teachers, parents, and students to analyze their essays with regard to organizational structure, vocabulary, and sentence structure. This book can also be downloaded at www.lulu.com to make it easier for teachers to make transparency copies from the downloaded pages. Downloading the book also allows you to present the transparencies via multi-media projector if you have one in your classroom.
