What Is Wrong With My Christianity:

What Is Wrong with My Christianity? Richard L. Larkin, 2014-10-31 Regardless of your religion your school of theology what you were taught at home growing up or any other factors just like anyone else you have had your share of concerns about Christianity really is Rich Larkin wants to share with you what the Holy Spirit has taught him about the personal privilege of being in a relationship with Jesus Christ The way is open to everyone but not everyone who believes in the Savior has a true connection with him Which group do you belong in In What's Wrong with My Christianity Rich Larkin wants to help you with practicing the presence of God to find His Spirit not simply in your external circumstances but living within your being For anyone who has been intimidated to ask questions like these this book is for you Diversity—What's the Problem? Rita M. Gross, 2014-04-24 Once upon a time on grounds of both religion and common sense people assumed that the earth was flat and that the sun literally rose and set each day When newly developing knowledge made those beliefs untenable giving them up was difficult Today the belief that only one of the world's various religions is true for all people on earth is equivalent to the belief in a flat earth Both notions have become untenable given contemporary knowledge about religion Even though many people are still troubled by the existence of religious diversity today that diversity is a fact of life Religious diversity should be no more troubling to religious people than the fact that the earth is round and circles the sun This provocative book based on the author's longtime practice of Buddhism and comparative study of religion provides tools with which one can truly appreciate religious diversity as a gift and resource rather than as a deficiency or a problem to be overcome After we accept diversity as inevitable and become comfortable with it diversity always enriches life both nature and culture Freelance Christianity Vance G. Morgan, 2017-06-08 How can you be a Christian and a philosopher at the same time This guestion has haunted Vance Morgan ever since it was posed by a good friend almost thirty years ago Freelance Christianity is rooted in Morgan's conviction that far from being fundamentally opposed truly philosophical energies and a commitment to a vibrant lived faith are complementary mutually supporting and marks of a healthy quest for the divine This book brings together his training as a philosopher and experience as a person of faith in an investigation of how the life of faith can be lived with a rigorous commitment to the pursuit of knowledge in real What is My Faith? Leo Tolstoy, 2024-05-09 Appearing only months after Confession Tolstoy s What is My Faith time often rendered in English as What I Believe pushes the argument from private trauma to public statement Anyone drawn to radical Christian ethics will find in these pages the seed of twentieth century non violent resistance long before Gandhi or King shaped the idea Published in Geneva by the same free thinking circle in late 1884 the book was promptly banned in the Russian Empire its import thwarted at the frontier for Tolstoy aimed straight at the nexus of state power and ecclesiastical dogma accusing both of betraying the Sermon on the Mount The treatise advances a literal reading of Christ's ethical injunctions arguing that Christian truth requires absolute renunciation of violence oath taking and property in place of

theology Tolstoy offers a painstaking commentary on Gospel passages that converges on a form of Christian anarchism a term his readers later supplied By fusing spiritual rigor with social critique the book redirected Russian intelligentsia away from Marxist militancy toward ethical pacifism influenced the Doukhobors in their emigration to Canada and furnished moral ammunition for pacifist movements across Europe all while foreshadowing the concise biblical harmony that would become The Gospel in Brief This critical reader's edition presents a modern translation of the original manuscript crafted for the modern reader with clean contemporary language and simplified sentence structures that clarify his complex Russian phrasing and specific antiquated references Supplementary material enriches the text with autobiographical historical and linguistic context including an afterword by the translator on Tolstoy's personal history impact and intellectual legacy an index of the philosophical concepts he employs emphasizing Existentialism and influence by Schopenhauer a comprehensive chronological list of his published writings and a detailed timeline of his life highlighting the personal relationships that shaped his philosophy Jairo Mejia, 2008-03-01 Jairo Mejiais a theologian and philosopher who lives in Carmel Valley California Letter to My Christian Family and Friends: Living without God Darrel Newkirk MD, MPH,2016-04-04 Darrel D Newkirk MD MPH was a devoted Christian for over 55 years He believed God was calling him to be a medical missionary and subsequently he and his wife prepared to serve as foreign missionaries They served 5 years in Zaire Africa After returning to the United States from Africa he continued to serve actively in their Southern Baptist church He and his wife helped to start a new mission Southern Baptist church in which he was active for over 20 years But then he left not only that church but Christianity itself LETTER TO MY CHRISTIAN FAMILY AND FRIENDS Living Without God is the author s answer to the question Why Why did he leave the religion of his parents family and friends after devotedly serving God and His church for over 55 years The book reveals his answers to that question Christian Zionism Faydra L. Shapiro, 2015-10-12 Christian Zionism has received no small amount of criticism from observers who take issue with the movement's pro Israel politics or its theology What if we listened seriously to what Christian Zionists and Jewish partners said about Jews Judaism and Israel Christian Zionism is a vibrant contemporary movement that agree or disagree has more than just political implications Christian Zionism has also brought an unprecedented number of Jews and Christians into contact and dialogue in houses of worship community centers rallies and of course in Israel As such Christian Zionism is a useful case that allows us to think about contemporary Jewish Christian relations in new ways While some would argue that this is really just about pro Israel alliance building Christian Zionism Navigating the Jewish Christian Border shows how this movement significantly engages basic questions of identity and the borders between Judaism and Christianity Christian Zionism serves as one chapter in the history of two religious communities and the fraught relationships between them facing together the globalized world of the twenty first century The Origin and Development of Religious Belief: **Christianity** Sabine Baring-Gould, 1898 **Getting Jesus Wrong** Matt Johnson, 2017-03-20 Jesus is not a life coach or a

Christian Calling Steve Wilkens, Paul Shrier, Ralph P. Martin, 2005-08-18 Christian colleges have been set up by Christian churches throughout American history But all too often these schools and the groups that support them come into conflict typically over what is being taught in religion and philosophy classes Christian College Christian Calling seeks not so much to resolve this tension between congregation and academy as to explain why it exists and why it might even be fruitful Instructors of philosophy theology church history Biblical studies and ministry from Azusa Pacific University explain the value of their disciplines in down to earth terms not in terms of academic achievement but in terms of the Christian life Looking to get past the stereotypes of liberal faith diluting colleges and conservative unthinking churches Christian College Christian Calling provides an invaluable resource for anyone concerned about the mission and relevance of Christian higher education Christianity Reformed From its Roots Jairo Mejia, 2008-03-24 Offering positive alternatives to open minded believers and unbelievers alike Christianity Reformed from Its Roots challenges the traditional beliefs of the Roman Catholic Church on God Jesus and the Bible Using the text of the New Testament theologian and philosopher Jairo Mejia challenges us to rediscover the real Jesus a humble Peasant of Nazareth glorified by his resurrection Mejia argues compellingly that a true concept of God is more vital today than ever before and can be understood by both agnostics and atheists thus asserting that there is no contradiction between science and religion but a smooth and fulfilling meshing of the two *In the Power of the* Spirit.
