What Dreams May Come Christina Dodd,2025-04-22 With a boldly refreshing premise and a daring heroine to match this delightful novella features the eldest daughter of the not so ill fated Romeo and Juliet 20 year old Rosie Montague a young woman possessed of an irreverent wit an independent spirit and a penchant for sleuthing Gentle reader I Rosie Montague present you with the tumultuous events of my recent months despite my goal to remain a spinster I fell instantly in love with Lysander of the House of Beautiful suffered an unhappy betrothal to a duke which ended in death for him and almost for me am now entrapped by a compromising deceit plotted by the enamored Prince of Verona himself Escalus Not only am I failing on the spinster front but I have also failed to set an example for my seven siblings soon to be eight thanks to my parents embarrassingly undying passion Specifically 13 year old Katherina along with her friend Princess Isabella In their desire to honor my romance now ill fated by commissioning a sonnet they imitated my own youthful folly and dressed like well born young males complete with stuffed codpieces and swaggered into the night Their poetic mission accomplished they celebrated landed in scandalous circumstances and the princess was robbed of her mother s priceless ring With our fates and family names at stake I must save the day What ensues will require that I visit a brothel infiltrate the thief s debaucherous lair and dodge Escalus I can only hope to keep intact my virginity and my life The latter especially should my parents find out

WHAT DREAMS MAY COME Xenon,2019-12-10 What Dreams May Come is the story of Troilus the grandson of Kalliste whose tale is told in the first book of the series None So Blind Troilus watches helplessly as his home town is razed to the ground and everyone he loves senselessly slaughtered The trauma sweeps all traces of sympathy and remorse from his makeup Only revenge drives him as he finds himself caught up in the bloody turmoil of rebellion It is a long way back The series is set in an Empire which is presently ruled by a cruel and powerful Emperor It is an imaginary world based loosely on a Classical Greek milieu though transported to a northern temperate zone and with women playing a much more independent role than in Classical antiquity The land of Gea is largely an ethnic linguistic and cultural unity though not a political one Its history has been one of intermittent warfare between its fifteen independent states and with the surrounding countries However for the last quarter of a century the inexorable rise of Troia the largest and richest of the states has welded the rest now provinces into a formidable Empire An Empire presently ruled by a cruel and powerful Emperor
