Four British Fantasists Charles Butler, 2006-04-25 Four British Fantasists explores the work of four of the most successful and influential fantasy writers of the generation who rose to prominence in the second Golden Age of children's literature in Britain Susan Cooper Alan Garner Diana Wynne Jones and Penelope Lively Drawing on history archeology social geography anthropology and postcolonial theory as well as literary criticism Butler provides a series of new perspectives through which to view these writers achievements He begins by highlighting some points of biographic coincidence e.g. all four authors were children during WWII all were born within a year or two of each other and all attended Oxford University in the early 1950s when C.S. Lewis

and J R R Tolkien were publishing their seminal fantasies and questions if these factors play any significant role in the development of these fantasy writers The author then uses this question as the springboard for a case study in the assessment of biographical and literary influence The book also considers the role played by Britain itself in determining the shape and preoccupations of these writers fiction Britain is a land with a long history in which contemporary life is constantly juxtaposed with evidence of the past in the form of ancient buildings historic sites and archeological remains By placing the work of Cooper Garner Jones and Lively in the context of British culture and of their own time Butler provides a key to their fascination with history mythology and magic and to the ways in which that fascination has found expression in their fiction Students of children s literature and of fantasy literature as well as readers who are interested in the lives of these four subject authors will find this an insightful read *The Oxford Companion to Children's Literature* Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns *Metaphysics of Children's Literature* Lisa Sainsbury, 2021-01-28 *Metaphysics of Children's Literature* is the first sustained study of ways in which children s literature confronts metaphysical questions about reality and the nature of what there is in the world In its exploration of something and nothing this book identifies a number of metaphysical structures in texts for young people such as the ontological exchange or nowhere in extremis demonstrating that their entanglement with the workings of reality is unique to the conditions of children s literature Drawing on contemporary children s literature discourse and metaphysicians from Heidegger and Levinas to Bachelard Sartre and Haraway Lisa Sainsbury reveals the metaphysical groundwork of children s literature Authors and illustrators covered include Allan and Janet Ahlberg Mac Barnett Ron Brooks Peter Brown Lewis Carroll Eoin Colfer Gary Crew Roald Dahl Roddy Doyle Imme Dros Sarah Ellis Mem Fox Zana Fraillon Libby Gleeson Kenneth Grahame Armin Greder Sonya Hartnett Tana Hoban Judy Horacek Tove Jansson Oliver Jeffers Jon Klassen Elaine Konigsburg Norman Lindsay Geraldine McCaughrean Robert Macfarlane Jackie Morris Edith Nesbit Mary Norton Jill Paton Walsh Philippa Pearce Ivan Southall William Steig Shaun Tan Tarjei Vesaas David Wiesner Margaret Wild Jacqueline Woodson and many others *Mastering Manga Art with the Pros* Ilya Kuvshinov, Bobby Chiu, Ross Tran, Svetlana Tigai, Trung Le, 2023-02-14 Start creating your own manga art and masterpieces with the help of this insightful and inspirational artist s workshop guide A workshop based resource to everything you need to know about manga art this book is filled with tons of awesome information every manga fan will love Opening with a stunning artist gallery showcase also included are detailed articles on anime Astro Boy and his transformation to life in 3D on the big screen plus interviews with YouTube sensation Ross Tran the sketchbooks of illustrators Olga Andriyenko and Patxi Pelaez and more Get an exclusive look inside several of the industry s top studios from California to Singapore and discover all the answers to your most burning questions through
