

MARKETING

BASIC CONCEPTS

- **Definition of marketing:**
 - All activities directed toward making an exchange intended to satisfy human needs or wants
 - Process of establishing and maintaining mutually beneficial relationships with stakeholders of the company to facilitate exchanges

WHAT IS MARKETING?

- A market is the aggregate of all people or organizations that have a need for, or want, a product or class of products and have the money to pay for them. It is sometimes used to mean a place, real or virtual, where buyers and sellers meet to buy or sell goods.
- The classical marketing concept is a philosophy that guides the attitude of everyone in a firm to stimulate and satisfy the needs and wants of every customer.
- Marketing includes conducting, analyzing, and using market research.
- Marketing efforts span all activities related to delivering a product or service to a consumer. They are composed of product development, design, pricing, distribution, branding, advertising, and public relations.

General Model of Marketing

Foundations → Target markets → Product development strategy → Pricing → Channels and logistics → Integrated communities

THE ROLE OF MARKETING

- Develop internal and external relationships among all employees and stakeholders.
- **Stakeholders:** Anyone who affects or influences an organization's efforts; includes:
 - Customers
 - Employees, subcontractors, and freelancers
 - Suppliers/vendors
 - Stockholders
 - Investors
 - Media
 - Government agencies
 - Communities
- Marketing executives participate at the corporate level in setting direction, at the business level in developing tactics, and at the functional level in developing the marketing component of business strategy.
- **Develop the marketing strategy:**
 - Search for and identify new products and markets (market scope).
 - Select and measure target markets.
 - Design marketing-mix strategies (product, price, distribution, promotion, and relationships).
 - Develop competitive strategies based on the marketing mix.
- **Conduct internal and external research** to solve marketing problems and aid in decision-making.
- **Develop long-term and short-term marketing objectives** and communicate them throughout the organization:
 - Long-term goals: Raise brand awareness and increase customer loyalty.
 - Short-term goals: Increase website traffic and the number of social media followers.
- **Develop and execute marketing plans** with the help of all employees.
- **Establish guidelines for ethical behavior** in marketing:
 - Advertise and sell safe, healthy products.
 - Compete fairly.
 - Clearly state terms of sale without using misleading language or small print.
 - Develop a convenient process for customers to receive funds on money-back guarantees.

Ethical Values (American Marketing Association Code of Ethics)

- Honesty
- Respect
- Transparency
- Citizenship
- Responsibility

TARGET MARKETS

- These markets must be defined by marketing so that the business may focus on those selected.
- The basic markets are the total market, market segments, and market niches, in decreasing order of size. These apply to:
 - Consumer markets
 - Industrial markets (made up of industrial companies)
 - Commercial markets (consisting of service companies, nonmanufacturing companies, and not-for-profit organizations)
 - Government markets (made up of government agencies)
 - International and global markets
 - Markets segmented for strategic targets

MARKET SEGMENTATION

- Markets may be segmented by strategy and product characteristics, and hence, by characteristics of the buyer.
- A strategy of product differentiation is used in which buyers desire differentiation of form, price, and service.
- The market can be divided into segments in which the buyers in one or more of the segments are pursued.
- Examples of audience segments include differentiation by:
 - **Demographics:** Age, income, geographic location, marital status, and education level
 - **Psychographics:** Attitudes, beliefs, ideals, and values
 - **Lifestyle:** Preferences, activities, and media usage

MARKETING PERSPECTIVES

- Perspectives vary and are based on an organization's goals and objectives, philosophy, and available resources.
- An organization's marketing perspective guides how the company's marketing resources will be implemented. Organizational resources include available time, personnel, and budget/finances.

KEY MARKETING PERSPECTIVES TO GUIDE MARKETERS

- **Global perspective:** Adjusting strategies based on conditions in various countries and to sell in a global market
- **Relationship perspective with stakeholders:** Developing and adjusting strategies to form stronger relationships with each stakeholder group
- **Ethical perspective:** Having all marketing efforts on principles of fairness, honesty, and responsibility
- **Value perspective:** Focusing on consumers' perceived benefits and costs
- **Productivity perspective:** Focusing on increasing productivity
- **Technological perspective:** Recognizing the impact of technology on marketing decisions
- **Ecological perspective:** Focusing on how products improve or solve environmental problems
- **Entrepreneurial perspective:** Using innovative approaches to find opportunities
- **Execution perspective:** Focusing on process
- **Visionary perspective:** Having a willingness to take risks

THE MARKETING ENVIRONMENT

Monitor the present and forecast the future.

- Have a vision of the structure of the environment, including controllable variables (e.g., marketing-mix decisions related to product, price, promotion, and place) and uncontrollable variables (e.g., political/legal conditions and competition).
- Monitor the segments of the environmental structure (e.g., political, legal, economic, competitive, social, cultural, and technological).
- The industry (immediate, operating) environment of marketing includes:
 - Users of products
 - Channels of distribution (market intermediaries)
 - Suppliers of products and services
 - Competitors, trade associations, and unions (externals)
- The macroenvironment of marketing includes:
 - **Economic environment:** GNP, personal disposable income, inflation rates, interest rates, and housing starts
 - **Demographic environment:** Population patterns, size and concentration of groups, ethnic mixes, and birth rates
 - **Technological environment:** Key areas of development (e.g., materials, electronics, telecommunications, robotics, and bioengineers)
 - **Political/legal environment:** Legislation, interpretation and implementation, and political philosophy of government leaders
 - **Culture and subcultures:** Central values and beliefs held by a group or subgroup that are passed down to others within the group
- The microenvironment of marketing includes:
 - **Customers:** Consumers of an organization's goods and services
 - **Suppliers/vendors:** Provide materials used by the organization to produce the product
 - **Competitors:** Organizations selling similar goods or services
 - **The general public:** Members of the general public who might be affected by the organization's decisions and efforts
- **Scanning the environment:** The process of seeking environmental factors that can affect marketing success, including changes in government regulations, population characteristics, social attitudes, and lifestyle trends/preferences
- **Environmental analysis:** The process of evaluating, interpreting, and sharing information with employees

CROSS-CULTURAL MARKETING

- The international market usually consists of many markets distinguished by different needs and cultures.
- Market to various countries and cultures by adapting content based on cultural standards, such as:
 - Norms and customs
 - Hierarchy/structure
 - Leadership/management styles
 - Relationships to authority
 - Manners and etiquette, attitudes, values, and priorities
 - Autonomy and decision-making processes
 - Language (jargon/slang)
- **Potential challenges:**
 - Misunderstanding cultural nuances and subtleties
 - Language barriers
 - Lack of information about audiences/audience segments
 - Lack of market research

Study Guide For Marketers Introduction

In today's digital age, the availability of Study Guide For Marketers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Study Guide For Marketers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Study Guide For Marketers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Study Guide For Marketers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Study Guide For Marketers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Study Guide For Marketers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Study Guide For Marketers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Study Guide For Marketers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Study Guide For Marketers books and manuals for download and embark on your journey of knowledge?
