

Macbeth Study Guide

From William Shakespeare's *Macbeth*

Locations in the play:

- Scotland: The Country in which the play takes place
- Glamis: Macbeth begins the play as the Thane of Glamis
- Cawdor: Macbeth is promoted to Thane of Cawdor after the former thane is executed for treason
- Fife: Macduff is the Thane of Fife
- England: Malcolm flees here after his father is murdered
- Ireland: Donalbain flees here after his father is murdered
- Birnam Wood: The forest
- Dunsinane Hill: The location of the castle where Macbeth reigns as king

The Witches FIRST set of Prophecies:

- To Macbeth:
 - Thane of Glamis
 - Thane of Cawdor
 - King of Scotland
- To Banquo:
 - Lesser than Macbeth but also greater.
 - Not as happy as Macbeth, yet much happier.
 - Your decedents will be kings even though you will not be one.
- At the time of the prophecy, Macbeth IS the thane of Glamis. He doesn't yet know that he will be named Thane of Glamis. He is intrigued that the witches say he will be made king because he is not in line for the throne.
- Macbeth tells Lady Macbeth about the prophecies in a letter. He also tells her that King Duncan is coming to the castle for a visit.

After Macbeth's letter, Lady Macbeth devises a plan to kill King Duncan to allow Macbeth to be king. Despite planning to kill Duncan, Lady Macbeth is an excellent hostess when he visits. Macbeth kills Duncan. When others discover the king has been murdered, an alarm is sounded and Macbeth reacts by killing Duncan's guards because it appears that they murdered the king.

The Porter, who appears after the murder of Duncan, serves as comic relief after an upsetting part of the play.

A change happens in Macbeth when he plans to have Banquo and Fleance murdered to secure his place as king and he does not tell Lady Macbeth of this plan. After the Banquo is murdered and Fleance escapes, Macbeth imagines that Banquo's ghost appears at the feast. Lady Macbeth dismisses the guests because she is afraid Macbeth will tell about killing Duncan.

Macduff and England- Macduff goes to Malcolm in England. Malcolm is worried that Macduff is a spy for Macbeth. Malcolm asks Macduff questions to prove if he is loyal and not there as a spy.

Macbeth Study Guide Richard Twyman,2011 Online learning resource offering in depth analysis of character language plot and relationships for William Shakespeare s Macbeth **Macbeth Study Guide CD-ROM** 416cd,2011-03-16 A day of storm and battle is coming to a close and Duncan king of Scotland awaits news of the conflict A bloody man appears and tells him that against all odds the rebel Macdonwald the traitor Thane of Cawdor and the king of Norway have been defeated by Duncan s captains Macbeth and Banquo Duncan orders the Thane of Cawdor executed and tells his men to go bestow the title on Macbeth Macbeth and Banquo returning from the battle come upon three witches who greet Macbeth as thane of Glamis thane of Cawdor and king to be Banquo asks whether they have such complimentary greetings for him They call him Lesser than Macbeth and greater and tell him that he will father kings Then the witches vanish Not certain what to make of this Macbeth and Banquo are soon joined by Ross who greets them in the king s name and names Macbeth Thane of Cawdor This news in fulfillment of the witches statement seems to awaken within Macbeth a long dead desire for the throne Hardly daring to admit his own thoughts to himself he writes to tell his wife of these events Lady Macbeth has fewer qualms than her husband and goes into near ecstasy at the thought of taking the throne When she learns the king is coming to their castle for a night she and Macbeth plot Duncan s death In the dead of night Macbeth and his wife stab the king and leave the bloody daggers with his attendants When the king is discovered the next morning Macbeth kills the attendants in a fit of rage Realizing that they no longer know who to trust and that whoever killed their father may well be after them next Duncan s sons Malcolm and Donalbain flee to England and Ireland Immediately the lords assume they were behind the king s death and name Macbeth king Not all are convinced of the wisdom of this however Banquo is keenly aware that the king has died in Macbeth s home shortly after Macbeth heard a prediction that he will be king Macduff also doubts the innocence of Macbeth and though he does not voice his thoughts he refuses to attend Macbeth s coronation Now that Macbeth is king however he remembers the prediction of the witches Banquo s son will reign not his He hires men to kill Banquo and his son Fleance but they achieve only partial success Fleance escapes At the banquet held in his honor that evening Macbeth sees the ghost of Banquo and in shouting at it perhaps reveals more than he intends to the gathered lords He also begins to fear Macduff and determines to visit the witches again The witches call forth three apparitions who tell Macbeth that he must beware Macduff that no one of woman born can harm him and he will never be defeated until Birnam Wood comes to Dunsinane Heartened by these predictions Macbeth demands to know whether Banquo s descendants will indeed rule after him The witches show him a seemingly endless line of kings descending from Banquo Angry Macbeth decides to remove his last available irritant by killing Macduff As he departs however he is told Macduff has fled to Malcolm in England Now enraged Macbeth vows from this point forward to immediately follow his first impulses and he vents his fury by slaughtering everyone he can find in Macduff s castle Macduff s wife children and servants In England Macduff has found Malcolm but Malcolm is distrustful of

him As they form a tentative alliance word arrives of the slaughter of Macduff's family Macduff vows vengeance on Macbeth Heartened by reports of rebellion against Macbeth and the offer of support and troops from England Malcolm and Macduff make plans to return to Scotland and reclaim the throne Things have not been going well for Macbeth and Lady Macbeth The rebellions are taking their toll and Lady Macbeth is restless in her mind Her gentlewoman and a doctor observe her sleepwalking speaking of the murders and clearly disturbed Macbeth appears manic thrown this way and that by his whims alternating between supreme self confidence in the predictions of the witches and fury that things are not as he wishes them The death of Lady Macbeth seems to affect him little beyond a morose discussion about the meaning of life Things really begin to fall apart as Malcolm's troops advance to Dunsinane and are joined by the lords of Scotland When the troops pause at Birnam Wood Malcolm orders his men to cut down and carry branches of the wood to confuse reports of their numbers As this movement of the Wood pours toward Dunsinane Macbeth realizes that the predictions he relied on have become a two edged sword Maddened by the desertion of his subjects and faced with an apparent trap he clings to almost revels in the prediction that no one born of woman can harm him But in the end even this fails Macbeth Interactive CD rom

This is likewise one of the factors by obtaining the soft documents of this **Study Guide Of Macbeth** by online. You might not require more epoch to spend to go to the ebook opening as well as search for them. In some cases, you likewise reach not discover the declaration Study Guide Of Macbeth that you are looking for. It will completely squander the time.
