Discovering Wes Moore Wes Moore,2013-09-10 From the governor elect of Maryland comes a story of two fatherless boys from Baltimore both named Wes Moore One is in prison serving a life sentence for murder The other is a Rhodes Scholar an army veteran and an author whose book is being turned into a movie produced by Oprah Winfrey The story of the other Wes Moore is one that the author couldn't get out of his mind not since he learned that another boy with his name just two years his senior grew up in the same Baltimore neighborhood He wrote that boy now a man a letter not expecting to receive a reply But a reply came and a friendship grew as letters turned into visits and the two men got to know each other Eventually that friendship became the inspiration for Discovering Wes Moore a moving and cautionary tale examining the factors that contribute to success and failure and the choices that make all the difference Two men One overcame adversity The other suffered the indignities of poverty Their stories are chronicled in Discovering Wes Moore a book for young people based on Wes Moore's bestselling adult memoir The Other Wes Moore Includes an 8 page photo insert Praise for Discovering Wes Moore Moore wisely opens the door for teens to contemplate their own answers and beliefs while laying out his own experiences honestly and openly Publishers Weekly He argues earnestly and convincingly that young people can overcome the obstacles in their lives when they make the right choices and accept the support of caring adults Kirkus Reviews

The Other Wes Moore Wes Moore,2011-01-11 NEW YORK TIMES BESTSELLER From the governor of Maryland the compassionate People startling Baltimore Sun moving Chicago Tribune true story of two kids with the same name One went on to be a Rhodes Scholar decorated combat veteran White House Fellow and business leader The other is serving a life sentence in prison The chilling truth is that his story could have been mine The tragedy is that my story could have been his In December 2000 the Baltimore Sun ran a small piece about Wes Moore a local student who had just received a Rhodes Scholarship The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery The police were still hunting for two of the suspects who had gone on the lam a pair of brothers One was named Wes Moore Wes just couldn't shake off the unsettling coincidence or the inkling that the two shared much more than space in the same newspaper After following the story of the robbery the manhunt and the trial to its conclusion he wrote a letter to the other Wes now a convicted murderer serving a life sentence without the possibility of parole His letter tentatively asked the questions that had been haunting him Who are you How did this happen That letter led

to a correspondence and relationship that have lasted for several years Over dozens of letters and prison visits Wes discovered that the other Wes had had a life not unlike his own Both had had difficult childhoods both were fatherless they d hung out on similar corners with similar crews and both had run into trouble with the police At each stage of their young lives they had come across similar moments of decision yet their choices would lead them to astonishingly different destinies Told in alternating dramatic narratives that take readers from heart wrenching losses to moments of surprising redemption The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world *The Work Wes Moore*,2015-07-21 NEW YORK TIMES BESTSELLER The acclaimed author of *The Other Wes Moore* and governor of Maryland continues his inspirational quest for a meaningful life and shares the powerful lessons about self discovery service and risk taking that led him to a new definition of success for our times This book is about how to make our journeys not just about surviving and succeeding but about coming truly alive Arianna Huffington *The Work* is the story of how one young man traced a path through the world to find his life s purpose Wes Moore graduated from a difficult childhood in the Bronx and Baltimore to an adult life that would find him at some of the most critical moments in our recent history as a combat officer in Afghanistan a White House fellow in a time of wars abroad and disasters at home and a Wall Street banker during the financial crisis In this insightful book Moore shares the lessons he learned from people he met along the way from the brave Afghan translator who taught him to find his fight to the resilient young students in Katrina ravaged Mississippi who showed him the true meaning of grit to his late grandfather who taught him to find grace in service Moore also tells the stories of other twenty first century change makers who ve inspired him in his search from Daniel Lubetzky the founder of KIND to Esther Benjamin a Sri Lankan immigrant who rose to help lead the Peace Corps What their lives and his own misadventures and moments of illumination reveal is that our truest work happens when we serve others at the intersection between our gifts and our broken world That s where we find the work that lasts An intimate narrative about finding meaning in a volatile age *The Work* will inspire readers to see how we can each find our own path to purpose and help create a better world

Power of Presence Joy Thomas Moore,2018-09-18 For single parents working parents and caregivers who worry about the time they spend away from their children the mother of *The Other Wes Moore* shares strategies to raise happy well adjusted kids As the mother of Wes Moore whose memoir about overcoming the obstacles that face a fatherless young black man was a huge bestseller Joy is constantly asked How did you do it How can you be a good parent have a career and stay healthy when you don t have a partner to pick up the slack How do you connect with a child when you can t always be there Joy s answer is presence Specifically seven different ways of being a force in a child s life ensuring that they feel your influence We can t always be physically there for our children but the power of presence can help us to be a voice in the back of their minds that guides them through difficult times In *The Power of Presence* Moore explores seven pillars of presence heart faith mind courage financial freedom values and connectedness that all parents can use to positively influence their

children Using compelling stories from women who have been there and practical advice on everything from savings accounts to mindfulness this book is a compassionate look at what it takes to raise great kids even in less than ideal circumstances

Breaking the Cycle Nancy Brown Diggs, 2013-10-09 Breaking the Cycle tells the inspiring story of young people whom many would write off as a lost cause but who thanks to a remarkable school are headed for success We learn about their world from teens like Shawna the daughter of a crack addicted mother Or Andre the only one in his family not on drugs Or Daron kicked out of his home by an abusive father Challenged by the pernicious factors of their environment drugs violence fatherless homes and poor educational backgrounds students at the Dayton Early College Academy are nevertheless beating the odds All are headed for college from which the vast majority will graduate The book reveals how this school is succeeding when so many fail It conveys the hopeful message that others can replicate much of what DECA does and save a generation mired in despair America's failure to educate its urban children is evidenced by our woeful statistics If it is possible to turn around this bleak picture and it is this is a story well worth telling And this is what Breaking the Cycle aims to do For more information on the book including interviews with the author please check out www.nancybdiggs.com

Teaching Challenged and Challenging Topics in Diverse and Inclusive Literature Rachelle S. Savitz, Leslie D. Roberts, Jason DeHart, 2023-01-31 This groundbreaking text provides practical contextualized methods for teaching and discussing topics that are considered taboo in the classroom in ways that support students lived experiences In times when teachers are scapegoated for adopting culturally sustaining teaching practices and are pressured to whitewash the curriculum it becomes more challenging to create an environment where students and teachers can have conversations about complex uncomfortable topics in the classroom With contributions from scholars and K 12 teachers who have used young adult literature to engage with their students chapters confront this issue and focus on themes such as multilingualism culturally responsive teaching disability racism linguisticism and gender identity Using approaches grounded in socioemotional learning trauma informed practices and historical and racial literacy this text explores the ways in which books with complicated themes can interact positively with students own lives and perspectives Ideal for courses on ELA and literature instruction this book provides a fresh set of perspectives and methods for approaching and engaging with difficult topics As young adult literature that addresses difficult subjects is more liable to be considered controversial to teach teachers will benefit from the additional guidance this volume provides so that they can effectively reach the very students these themes address
