Talk To Me:

Stop Talking to Me Lynn Zettler,2010-09-14 Have you ever been aware of your thoughts and noticed how many are negative versus how many are positive Did you know that if you talk negatively to yourself you set the tone of failure and disappointment while talking positively to yourself sets the tone of success and happiness STOP Talking To Me will teach you how to turn your negative thinking into routine positive thinking so that you will set the stage for your happiness and success The simple S T O P process which accompanies each specified emotion along with the examples and stories will enable you to learn to pivot your thoughts and become that positive minded person youve always admired Better yet the book is specifically designed to be small enough to carry with you so that you will have it handy whenever you find yourself in the realm of negative thinking IF YOU WANT TO YOU CAN CHANGE YOUR LIFE All you have to do is to take the next step forward
