Reflections on My Call to Preach Fred B Craddock, 2009-07-01 Travel with revered preacher and author Fred Craddock through his early years as he considers what made him take to the pulpit For some reason I felt I had to say Yes or No to the ministry so I could feel free again My siblings and friends talked almost casually about options and preferences as to careers but with no evident sense of urgency Not so with me I did not then nor do I now know whether the burden of choice was a trait of personality a kind of super conscientiousness whether the calling to ministry itself carried a weight a burden peculiar to the task itself Rightly or wrongly when I thought of possibly becoming a journalist that would be a choice 100 percent mine When I considered becoming a minister that was not totally my decision I was responding to God s will for me Of course I had been told that journalists lawyers teachers merchants farmers all could understand their lives as a vocation a calling but what I am telling you is that I perceived I felt I experienced the idea of being a preacher as different and that difference was sobering even burdensome That s why advice about not being in a hurry taking my time was not helpful even if wise If it

was my decision why could I not make it now if it was God's decision why did not God tell me or at least tell my father or my mother I prayed for the ache to leave me Excerpt from Reflections on My Call to Preach Her Scottish Keep Darci Balogh, 2019-09-09 Bored with life A secret wish Will one woman's longing to travel bring her to the place where she belongs Tawnyetta can't escape the feeling of unnamed emptiness Moving through each day with a lack of purpose the almost thirty year old discovers she's wasted time chasing the perfect relationship while ignoring her craving for adventure So when her best friend's canceled wedding turns into a not a honeymoon trip she embraces the chance to visit a Scottish castle Free of the limitations she's placed on herself for years Tawnyetta blossoms into the carefree woman she always wanted to be But when she's caught up in an unexpected attraction to a grumpy gardener she fears her growing feelings could threaten the pursuit of her dreams Can Tawnyetta be true to herself and also fall in love Her Scottish Keep is the heartwarming first book in the Dream Come True women's romantic fiction series If you like vulnerable heroines charming friendships and light humor then you'll adore Darci Balogh's wholesome tale Buy Her Scottish Keep to brave The Highlands today **Grammar for Grown-Ups** Mark Peters Phd, 2025-07-29 It's never too late to brush up on your writing skills Writing is a daily part of adult life but many people are uncertain about basic rules and conventions Do I need a comma before this clause What exactly is a prepositional phrase Is it ever necessary to use brackets Answer Rarely if ever With clear no nonsense explanations and examples Grammar for Grown ups makes learning the finer points of the English language easy This comprehensive guide covers everything you need to know for clear and professional communication including the mechanics of writing the parts of speech and proper punctuation and capitalization as well as the most common errors and how to avoid and fix them Each lesson includes a practice exercise to reinforce learning Master the basics clear coverage of grammar rules and conventions including the parts of speech and sentence structure Fine tune the mechanics how to use punctuation effectively and accurately Write with style strategies to make your writing clear compelling consistent and concise Practice makes perfect exercise component for each lesson to reinforce learning Farishta Patricia McArdle, 2011-06-02 An American diplomat is forced to confront the devastation of her past when she is assigned to remote northern Afghanistan Twenty one years ago diplomat Angela Morgan witnessed the death of her husband during the bombing of the U S Embassy in Beirut Devastated by her loss she fled back to America where she hid in the backwaters of the State Department and avoided the high profile postings that would advance her career Now with that career about to dead end and no true connections at home she must take the one assignment available at a remote British army outpost in northern Afghanistan Unwelcome among the soldiers and unaccepted by the local government and warlords Angela has to fight to earn the respect of her colleagues especially the enigmatic Mark Davies a British major who is by turns her staunchest ally and her fiercest critic Frustrated at her inability to contribute to the nation's reconstruction Angela slips out of camp disguised in a burka to provide aid to the refugees in the war torn region She becomes their farishta or angel in the local Dari language and
