

TAPESCRIPITS

UNIT 1

Piece 1: The United Nations World Food Program says it will begin sending emergency food aid to Somalia and nearby areas on Wednesday. The UN airlift was supposed to begin Tuesday, but the flights were not able to leave Kenya. The director of the World Food Program told VOA that airplanes will carry food to Mogadishu, eastern Ethiopia and northern Kenya near the Somali border. She said the UN agency is bringing resources and people from other parts of the world to help. UN and American officials say more than 11 million people now need emergency aid to survive. The World Food Program chief said that in Somalia about one third of the population could starve. Many of the victims are children. The UN said major action is needed to help them. It is asking for almost 2 billion dollars in donations.

Piece 2: Officials in Brazil say landslides and floods have killed at least 102 people. Heavy rains began Monday and continued into Wednesday. The state of Rio de Janeiro has received the heaviest rains in more 20 years. Officials say 29 centimeters of rain fell in the city of Rio de Janeiro in 24 hours. That would set a new record for daily rainfall in the city. Officials said landslides carried away buildings in areas where many poor people live. Schools were closed for the second day since the rains began. Rio state governor Sergio Cabral has called for three days of mourning for those who die. The city's mayor has urged people to stay home. The rain is expected to continue until Friday.

Piece 3: Mexican officials say they have discovered the bodies of 12 people in a rural area of northwestern Mexico. The officials said they believed the people were victims of violence linked to the drug trade. The top law enforcement official in Nayarit state says the bodies were found Tuesday near the city of Xalisco. Gunfire had been reported in the area Monday night. More than 15,000 people have died in drug related violence in Mexico since President Felipe Calderon took office in 2006. His administration has led a campaign against the illegal drug trade.

UNIT 2

Piece 1: An international team of researchers say whale meat from Japan has been sold illegally to restaurants in the United States and South Korea. The researcher said they performed genetic tests of whale meat that was served at restaurants in Seoul and Los Angeles late last year. They said the test showed the
