EXAMINE YOUR RANGE

Go on to learn which of the instructions in this booklet apply to the particular model Tappan you own.

There are two general types of Tappan Ranges:

The No. 60 Series

which is 60" wide, and has the oven in the center. Burners, four, above oven compartments.

The No. 2 Series

which is 36" wide, and has the oven in the right side, with griddle above to the left.

At various points in this book you will find separate instructions on the No. 2 Series and the No. 60 Series. By knowing what Series your Tappan is, you will understand which instructions to follow. Time and Temperature Charts and many other instructions, of course, are the same for all models.
