What Really Is Christianity Second Edition:

What Really Is Christianity, Second Edition Austin de Bourg, 2014-12-19 Discover who God intends for you to be and how to fulfil your God appointed purpose This book is a wakeup call to slumbering Christians It addresses the urgent need for Christians to return to Jesus Christ and His Christianity and to passionately pursue a personal intimate relationship with Him the Father and the Holy Spirit It takes you deeper in Christ and propels you to put your Christian faith into action and advance the Kingdom of God Too much is at stake for you not to know what really is the Christianity that Jesus Christ has prepared especially for you In his unique simple style author Austin de Bourg leads Christians into the full understanding of their faith as he unveils Christianity from God's perspective This book takes the subject of Christianity to a dimension where modern literature on the topic rarely ventures It reveals truths from the Word of God on the supernatural birthright and heritage of Christians and Christianity and answers guestions on the seldom taught doctrine of the reality and conflict of the dual nature of Christians What Really is Christianity points out the importance of Christians knowing and keeping their divine lineage and heritage alive not only for their benefit but for the benefit of those who would carry on the faith Like the early Christians who knew who they were this generation and the generations to come would be able to live and function as Christ ordained and as such successfully changed their world In this book author Austin de Bourg deals frankly with the misconceptions of Christianity which many earnestly practice today warning of the dangers of replacing relationship with God with religion which in fact keeps us from coming to God Not only does the author diagnose the present malady of Christians and Christianity but he prescribes the corrective treatment In so doing he identifies with precise clarity the Christianity that Christ established and left for us to follow Both Christians and non Christians alike will benefit from this insightful work pregnant with the author's personal intimate experience with the Trinity and his passion to see everyone experience the superior quality of life that he himself has come to know and experience through Christ's Christianity
