What is God ? Shivshankar K. Chopkar, Rajesh Iyengar, D. K. Chakrabarty, 2024-07-18 *What Is God's Mystery?* Michael Cox, Mel Turner, 2015-05-15 Have you heard about Gods mystery Were you aware that when God finally revealed the truth of this mystery its power changed the course of history What is Gods Mystery opens anew the door to Gods greatest plan and explains how it continues to affect each of us today Plus have you ever been asked other questions about the Bible that were difficult to answer We have These inquiries have come from church members our family close friends and even our own curiosity As an example how would you answer a question like If God made everything John 1 3 and everything was good Genesis 1 31 then where did Satan and the demons come from People have wrestled with questions such as When we die do we become angels and play harps in heaven What does the Bible tell us about hell or the date of the end of time How can we know Gods will for our lives Also what does the Bible say about personal issues such as drinking wine going to the movies watching television or judging others What is Gods design for sex and marriage in todays changing world Did you realize Jesus actually mentions four conditions of man These were questions that we felt deserved deeper answers than the traditional responses Our concentrated search into Gods Word has resulted in discoveries supported by scripture that we believe are so important they need to be made available for anyone who honestly desires to know Gods will We believe you will find this study very rewarding And more importantly it might spark an interest in studying the Bible that will help you better know its real Author the Lord God Almighty What is God's Revelation? What Is God Like? Ralph H. Matthews, 2013-04-18 This book will answer these questions and many more Does God use evil spirits Why does God not intervene in the death of innocent children Does He Curse Does He want your money Did He make weird laws Does He ever change His mind Does He ever repent Why is He silent Why did He invent old age Is He really a terrorist Are there some things He cant do Does God demand that you worship Him This book is based on the word of God Over 1200 scriptures are used to substantiate the teaching herein These verses speak powerfully to us about the nature and character of God He wants you to literally live by the words that come out of His mouth He put you through hard times so you would learn that men and women dont live by bread only we live by every word that comes from GODs mouth Deuteronomy 8 3 These words are powerful enough to give you eternal life and His Word will help you through your daily trials Just as rain and snow descend from the skies and dont go back until theyve watered the earth So will the words that come out of my mouth not come back empty handed Theyll do the work I sent them to do theyll complete the assignment I gave them Isaiah 55 10 11 The Spirit of God is anxious to work on you This book portrays the Almighty God as one who put an extremely high price on His love for us humans We need to love Him in return while showing Him reverence and fear Spurn His love too often and we could end up facing His wrath The ultimate Lover wants you to find Him so He can lavish His expensive love on you

What Is God? Jacob Needleman, 2009-12-24 In his most deeply personal work religious scholar Needleman cuts a clear path through today s clamorous debates over the existence of God illuminating an entirely new way of approaching the question of how to understand a higher power In this new book philosopher Jacob Needleman whose voice and ideas have done so much to open the West to esoteric and Eastern religious ideas in the twentieth and twenty first centuries intimately considers humanity s most vital question What is God Needleman begins by taking us more than a half century into the past to his own experience as a brilliant promising Ivyeducated student of philosophy atheistic existential and unwilling to blindly accept childish religiosity But an unsettling meeting with the venerated Zen teacher D T Suzuki combined with the sudden need to accept a dreary position teaching the philosophy of religion forced the young academician to look more closely at the religious ideas he had once thought dead Within traditional religious texts the scholar discovered a core of esoteric and philosophical ideas more mature and challenging than anything he had ever associated with Judaism Christianity and the religions of the East At the same time Needleman came to realize as he shares with the reader that ideas and words are not enough Ideas and words no matter how profound cannot prevent

hatred arrogance and ultimate despair and cannot prevent our individual lives from descending into violence and illusion And with this insight Needleman begins to open the reader to a new kind of understanding The inner realization that in order to lead the lives we were intended for the very nature of human experience must change including the very structure of our perception and indeed the very structure of our minds In What Is God Needleman draws us closer to the meaning and nature of this needed change and shows how our present confusion about the purpose of religion and the concept of God reflects a widespread psychological starvation for this specific quality of thought and experience In rich and varied detail the book describes this inner experience and how almost all of us atheists and believers alike actually have been visited by it but without understanding what it means and why the intentional cultivation of this quality of experience is necessary for the fullness of our existence
