Sunshine Welch, 2014-12-01 In this candid autobiography Ms Welch shares some of the lessons learned as she worked to provide for herself and her daughter After supporting herself and her daughter for several years as a dancer and a medical assistant a string of circumstances led to the author confronting a period of homelessness and being forced to live separate from her daughter for a time While she despaired at times she continually sought to regain stability in order to maintain her relationship with her child Though this direct and heartfelt account Ms Welch seeks to share what she has learned from her personal struggles and triumphs and readers are certain to gain both empathy and encouragement as they share in her journey Sunshine Welch resides in Michigan where she continues to enjoy writing music the outdoors and spending time with friends She lives with her three dogs and welcomes her daughter's visits during college breaks Most importantly she greets each day with a determination to live life to the fullest and to have fun remembering that we can never know what tomorrow might bring

It Takes a Child to Raise a Parent Janis Clark Johnston, 2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day to day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we re unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help

them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about who we are We re negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time It Takes a Child to Raise a Parent offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children

Billionaire's Ex-Wife Returns With A Baby Krystal Write,2024-08-08 We are divorced Adams She sighed and wanted to walk away but he held her It doesn t matter He answered his voice laced with determination I don t love you anymore That doesn t matter either What matters is that I want you and there s nothing you or anyone can do about it Alicia s journey was a tumultuous blend of highs and lows marred by the torment she endured at the hands of her husband and his family all for the sin of childlessness When she finally faced the harsh reality of a divorce letter her pleas fell on deaf ears Resigned she signed the papers and left Unknown to all she harboured a secret a life blossoming within her Six years later Alicia returns her daughter in tow only to be confronted by a past she thought she had left behind her ex husband now yearning for her anew In this twisted game of fate what surprises lie in wait for Alicia Book 1 of the series *Records & Briefs New York State Appellate Division* , Surviving the Storm Rosaland Jackson,2011-03-17
