*Frankenstein* Dean R. Koontz,2011-05 In *Frankenstein Lost Souls* Dean Koontz puts a singular twist on this classic tale of ambition and science gone wrong to forge a new legend uniquely suited to our times It is a story of revenge redemption and the thin line that separates human from inhuman The work of creation has begun again Victor Leben once Frankenstein has seen the future and he s ready to populate it Using stem cells organic silicon circuitry and nanotechnology he will engender a race of superhumans the perfect melding of flesh and machine With a powerful enigmatic backer and a secret location where the enemies of progress can t find him Victor is certain that this time nothing can stop him It is up to five people to prove him wrong In their hands rests nothing less than the survival of humanity itself They are drawn together in different ways by omens sinister and wondrous to the same shattering conclusion Two years after they saw him die the man they knew as Victor Helios lives on As they gather at a small Montana town old alliances will be renewed and tested from within and without for the dangers they face will eclipse any they have yet encountered Yet in the midst of their peril love will blossom and joy and they will discover sources of strength and perseverance they have not imagined They will need them for a monumental battle is about to commence that will require all their ingenuity and courage as it defines what we are to be and if we are to be at all *Dream of Night* Heather Henson,2010-05-04 Untamable Damaged Angry Once full of promise and life now lost in the shadows of resentment and detachment this is *Dream of Night* s story and it is also Shiloh s One is a thoroughbred racehorse the other an eleven year old foster child Starved to the bone *Dream of Night* is still a very powerful animal kicking bucking screaming to show his strength Shiloh has been starved in other ways starved of affection starved of

stability and she lashes out too with sarcasm This injured and abused racehorse has a lot in common with punky Shiloh and by chance they both find themselves under the care of Jessalyn DiLima a last stop for each before the state takes more drastic measures sending the girl to a residential facility and the horse to a vet for euthanizing Jess is giving them a second chance a last chance but she fosters animals and children like this for a reason she s a little broken too And she knows what it s like to have lost nearly everything she loves As the horse warms up to the girl and the girl lets her guard down for the horse the three of them become an unlikely family They recognize their similarities in order to heal their pasts but not before one last tragedy threatens to take it all away

BESTSELLER Welcome to the Pendleton Built as a tycoon s dream home in the 1880s and converted to luxury condominiums not quite a century later the Gilded Age palace at the summit of Shadow Hill is a sanctuary for its fortunate residents Scant traces remain of the episodes of madness suicide mass murder and whispers of things far worse that have scarred its grandeur almost from the beginning But now inexplicable shadows caper across walls security cameras relay impossible images phantom voices mutter in strange tongues not quite human figures lurk in the basement elevators plunge into unknown depths With each passing hour a terrifying certainty grows Whatever drove the Pendleton s past occupants to their unspeakable fates is at work again And as nightmare visions become real as a deadly tide begins to engulf them the people at 77 Shadow Street will find the key to humanity s future if they can survive to use it Includes the bonus novella The Moonlit Mind first time in print Narrative Ontology Axel Hutter,2021-11-18 This book is a critical inquiry into three ideas that have been at the heart of philosophical reflection since time immemorial freedom God and immortality Their inherent connection has disappeared from our thought We barely pay attention to the latter two ideas and the notion of freedom is used so loosely today that it has become vacuous Axel Hutter s book seeks to remind philosophy of its distinct task only in understanding itself as human self knowledge that articulates itself in these three ideas will philosophy do justice to its own concept In developing this line of argument Hutter finds an ally in Thomas Mann whose novel Joseph and His Brothers has more to say about freedom God and immortality than most contemporary philosophy does Through his reading of Mann s novel Hutter explores these three ideas in a distinctive way He brings out the intimate connection between philosophical self knowledge and narrative form Mann s novel gives expression to the depth of human self understanding and thus demands a genuinely philosophical interpretation In turn philosophical concepts are freed from abstractness by resonating with the novel s motifs and its rich language Narrative Ontology is both a highly original work of philosophy and a vigorous defence of humanism It brings together philosophy and literature in a creative way it will be of great interest to students and scholars in
