and mixed heritages not only of white women but also of women of the African Diaspora these are important issues for the construction of knowledge and identity in our present multicultural societies and can potentially change the ways we conceptualize, situate and engage the humanities in our scholarly work and in our social and cultural policies. These women, their presumed sexuality and their capacity to produce hybrid subjects as well as their supposed irrationality make them a singularly disruptive figure in our contemporary world. This interpretation has its roots in the treatment of women in colonial times especially when they were out of the margins of respectable society. The volume is addressed to a wide readership both scholarly and those interested in investigating the dynamics of the social and cultural conceptualizations of our multicultural and multiethnic contemporary societies marked by the intercultural exchanges of migratory subjects from a gender perspective.

Books, *The Civil Rights Reader* Julie Buckner Armstrong, Amy Schmidt, 2009-01-01 This anthology of drama, essays, fiction and poetry presents a thoughtful, classroom-tested selection of the best literature for learning about the long civil rights movement. Unique in its focus on creative writing, the volume also ranges beyond a familiar 1954-68 chronology to include works from the 1890s to the present. The civil rights movement was a complex, ongoing process of defining national values such as freedom, justice and equality. In ways that historical documents cannot, these collected writings show how Americans negotiated this process politically, philosophically, emotionally, spiritually and creatively. Gathered here are works by some of the most influential writers to engage issues of race and social justice in America, including James Baldwin, Flannery O'Connor, Amiri Baraka and Nikki Giovanni. The volume begins with works from the post-Reconstruction period when racial segregation became legally sanctioned and institutionalized. This section, titled *The Rise of Jim Crow*, spans the period from Frances E. W. Harper's *Iola Leroy* to Ralph Ellison's *Invisible Man*. In the second section, *The Fall of Jim Crow*, Martin Luther King Jr.'s Letter from Birmingham Jail and a chapter from *The Autobiography of Malcolm X* appear alongside poems by Robert Hayden, June Jordan and others who responded to these key figures and to the events of the time. *Reflections and Continuing Struggles*, the last section, includes works by such current authors as Rita Dove, Anthony Grooms and Patricia J. Williams. These diverse perspectives on the struggle for civil rights can promote the kinds of conversations that we as a nation still need to initiate.
