detailed description available for The Paradoxical Breakthrough of Revelation *Breaking and Entering* Liz R. Goodman, 2016-04-18 When Elizabeth Goodman first arrived at the tiny congregation that would become her home as a pastor a congregation of about seven people in a town of just under a thousand the longest standing member told her that though the congregation was small her preaching need not be In this collection of sermons readers will witness a mind at work amidst a faithful congregation whose numbers are now around thirty mutually nurtured and together having no small amount of fun Meanwhile the ramifications of the gospel in the world will sneak up and surprise Guided always by a spirit of play and by scripture as it is in conversation with life Goodman illuminates both the quiet suggestions that undo what we think we know and the startling demands that are to be both feared and desired This congregation has a tagline It s not what you think They are probably right **The Divine Intruder** James R. Edwards, 2016-04-12 James Edwards believes God is in the business of interrupting lives and changing them forever He shows how the stories of eight biblical characters are paradigms for the ways God intrudes in our lives today leading us to do His will and become the people He wants us to be Through creatively told Bible stories and intriguing anecdotes of personal experiences Edwards creates an interplay between the historical and the contemporary that allows you to discover God afresh You ll observe how God interrupts people s lives in times of disillusionment inadequacy grief and even opposition As you join these conversations you ll understand God s character in a new intimate way And you may see clues to God s interruptions in your own life *Broken For A Blessing* Paul Hillman, 2022-11-03 All the trials and broken pieces you went through in life did not come to break you they only came to make you Since you did not break down it is now time for you to break through Every trials and broken pieces that you went through in life means that they did not come to kill you but to shape you Whatever does not break you only comes to make you If you did not break down this is your time to break through God is only using your pieces to make up your pages Every broken piece of your life will make up the pages to your chapter Someone is trying to make it through the trials and pieces that you already went through Your trails and pieces will be their guiding tools and the road map that will build the bridge for their crossing over You were broken not only to be blessed you were broken to be a blessing to someone s life There are some people who were lifted to get to the top while there are some who had to climb ropes and rocks to get there The ones who had to climb understood that life is defined by what you went through and the ways in which you survived This means that whatever comes to defy you only comes to define who you are on the inside Your test will be your testimonies and all the mess that you went through will be used by God for your messages Jesus was broken as the living bread broken to save lives This means your brokenness will bring healing and restoration For those going through a brokenness you will be coming out whole This book is a guideline with tools that will help you in your journey to recovery **Beautifully Broken** Paula French, 2023-07-18 Beautifully Broken is a healing path from brokenness to a beautiful freedom This 10 12 week Biblically based interactive study complete with Leader Notes includes daily readings and questions that identify past

woundings and the resulting shame messages we carry with us This gentle guide will help you find healing for emotional and spiritual barriers in your relationships with yourself with God and with others The transforming result will be worth more than gold *Embracing Life Again After the Death of a Spouse* Dr Anniekie Ravhudzulo,2011-01-12 When someone we love dies our whole world is knocked off balance One of the most common and yet difficult feelings you experience is isolation It seems no one understands what you are going through And many of us are so busy you dont take the time to fully grieve and therefore heal from your losses It is very true that people who are grieving often feel extremely tired because the process of grieving usually requires physical and emotional energy The grief you are feeling is not just for the person who died but also for the unfulfilled wishes and plans for the relationship with the person Death often reminds most of the people of past losses or separations Remember there are a number of conditions that can make it harder for you as a person to successfully make it through the grief process For example sudden losses are harder to deal with than ones that have been anticipated With anticipated losses the knowledge that a loss will occur allows people to prepare both by feeling grief before the fact of the loss and also by planning ways to minimize the negative impact of the loss when it does occur The loss of a spouse lover child parent or best friend is usually more deeply felt than the loss of more distant relations and friends This is because such central relationships have long and deeply felt histories and an intensity of attachment that does not occur with more distant relationships Central relationships are more deeply and significantly knitted into the grieving persons sense of self and thus leave a bigger hole in the grieving persons sense of self when they are lost I discovered that when things are going badly whether in the family or work environment most of us strive mightily to improve our situations But what if the way to overcome a series of losses and failures is just to sink into them We all go through trials and tribulations Everyone has difficult situations in their life It is the way we look at them and the way we handle those situations I believe it is the struggle we must endure to gain the strength needed to break through the barriers With every victory comes the strength we need to overcome the obstacles and move forward Most people today give up easily because of what you may call emotional downturn This book in your hand has been written and carefully thought out with you in mind It has been written to bring you out of your sociological pit and emotional defeat I therefore gladly recommend this book to your reading that you may be built in His grace I believe that God will never give you more than you can handle You often wonder how some people cope with their situations in life I often hear people saying IdontthinkIcoulddealwiththat but we dont know what strength lies within us until the time comes to face the challenge The harder the struggle the sweeter the victory No test no rewards
