The Essential Haiku Versions Of Basho Buson And Issa:

The Essential Haiku Basho Matsuo, Issa Kobayashi, 2013 The Essential Haiku brings together Robert Hass's beautifully fresh translations of the three great masters of the Japanese haiku tradition Matsuo Basho 1644-94 the ascetic and seeker and the haiku poet most familiar to English readers Yosa Buson 1716-83 the artist a painter renowned for his visually expressive poetry and Kobayashi Issa 1763-1827 the humanist whose haiku are known for their poignant or ironic wit Each haiku master's section of the book is prefaced with an eloquent and informative introduction by Robert Hass followed by a selection of over 100 poems and then by other poetry or prose by the poet including journals and nature writing Opening with Hass's superb introductory essay on haiku the book concludes with a section devoted to Basho's writings and conversations on poetry The seventeen syllable haiku form is rooted in a Japanese tradition of close observation of nature of making poetry from subtle suggestion Each haiku is a meditation a centring a crystalline moment of realisation Reading them has a way of bringing about calm and peace within the reader The symbolism of the seasons and the Japanese habit of mind blend together in these poems to create an alchemy of reflection that is unsurpassed in literature Infused by its great practitioners with the spirit of Zen Buddhism the haiku served as an example of the power of direct observation to the first generation of American modernist poets like Ezra Pound and William Carlos Williams as well as an example of spontaneity and Zen alertness to the new poets of post war America and Britain Universal in its appeal Robert Hass's The Essential Haiku is the definitive introduction to haiku and its greatest poets and has been a bestseller in America for twenty years I know that for years I didn't see how deeply personal these poems were or to say it another way how much they have the flavour Basho might have said the scent of particular human life because I had been told and wanted to believe that haiku were never subjective I think it was D H Lawrence who said the soul can get to heaven in one leap but that if it does it leaves a demon in its place Better to sink down through the level of these poems their attention to the year their ideas about it the particular human consciousness the poems reflect Basho's profound loneliness and sense of suffering Buson's evenness of temper his love for the materials of art and for the colour and shape of things Issa's pathos and comedy and anger Robert Hass

Essential Haiku Versions of Basho, Buson, and Issa Robert Hass, 1994-01 Essential Haiku Hass, 1995-08-01 American readers have been fascinated since their exposure to Japanese culture late in the nineteenth century with the brief Japanese poem called the hokku or haiku The seventeen syllable form is rooted in a Japanese tradition of close observation of nature of making poetry from subtle suggestion Infused by its great practitioners with the spirit of Zen Buddhism the haiku has served as an example of the power of direct observation to the first generation of American modernist poets like Ezra Pound and William Carlos Williams and also as an example of spontaneity and Zen alertness to the new poets of the 1950's This definite collection brings together in fresh translations by an American poet the essential poems of the three greatest masters Matsuo Basho in the seventeenth century Yosa Buson in the eighteenth century and Kobayashi Issa in the early nineteenth century

Robert Haas has written a lively and informed introduction provided brief examples by each poet of their work in the halibun or poetic prose form and included informal notes to the poems This is a useful and inspiring addition to The Essential Poets series

Psyche, Soul, and Spirit Rachel Berghash, Katherine Jillson, 2016-04-14 A spirit runs through the interdisciplinary essays of this book a spirit that lives within them and hovers above them at once intelligent and profoundly simple Although each essay focuses on a certain topic whether it is the Buddhist saint Milarepa the prophet Jeremiah or the Christian saint Teresa of Avila whether it is the Israeli Palestinian conflict or subtleties of the spirit these essays have penetrable borders that dissolve at the seams and touch each other religiously philosophically and psychologically The use of an interdisciplinary methodology that draws from the wisdom of different disciplines in regard to values such as courage in the face of attacks and integrity in the midst of a worldly environment culminates in a rich source of inspired guidance for everyday life

Mediated Narration in the Digital Age Peter Joseph Gloviczki, 2021-10 Mediated Narration in the Digital Age examines mediated narration from 1991 through 2018 Peter Joseph Gloviczki considers this pivotal period spanning the rise of the World Wide Web through the growth of social media to understand how contemporary media accounts storied everyday life and times of crisis He uses examples across media culture to show that complicated issues benefit from a critical poststructuralist approach to journalism which promotes a communitarian ethos of respect inclusion and dialogue Textual analysis of a wide range of media narratives from a 2012 YouTube clip outlining a time line of the Sandy Hook school shootings to coverage of then newly discovered footage of President Roosevelt in a wheelchair in 2013 to the Cincinnati Enquirer's 2017 piece Seven Days of Heroin illustrate how theoretical concepts work in practice while explaining the new media environment In response to the lack of awareness of news as mediated narration Gloviczki calls for journalists to be aware of their role in meaning making and the attendant ethical responsibilities He provides the analysis essential to effective practice that emphasizes the connection between the individual and the community in order to more fully represent the mediated body
