Vampire Princesses and Princes Vianka Van Bokkem,2014-11-06 My new university is a renovated medieval monastery in Slovakia called Dux Ducis leader of leaders in Latin The university is run by professors from all over the world Monks abandoned it many years ago not exactly the place an eighteen year old girl wants to be except I don't have a choice I am Sweden's Crown Princess Paola Katarina My best friends are Crown Princess Sofia Eleonora from Finland and Crown Prince Oskar Niklas from Norway The sixth day in the monastery a soft knock on the door woke me up I glanced at the clock and it was 1 a.m. No one was there but I saw a boy wearing pajamas walking across the garden barefooted The rigid slow way he was walking made me think he was sleepwalking I followed him and a few minutes later he initiated a chilling conversation You are so gullible Paola Always trying to help others even if they are strangers I am about to teach you a lesson no professor in this university can teach you When the boy said my name I knew he was not sleepwalking He was luring me to the praying room Who are you Why did you trick me into following you The boy took a few seconds to respond without facing me I used so many names the last three hundred years that I don't remember my birth name any more most of my acquaintances know me as Patryk Lucescu The Vampire Prince Michelle Madow,2017-07-24 To destroy the enemy she will become the enemy Everything has been taken from Annika her family her friends and even her freedom by the vampires who enslaved her in the hidden kingdom of The Vale But now she possesses a magical ring that contains Geneva the most powerful witch in the world and she's ready for revenge When Prince Jacen invites vampire princesses from all over the world to the palace to compete for his hand in marriage Annika finds her chance By commanding Geneva to turn her into a vampire princess she can try to win the cold heart of the prince who betrayed her and left her for dead Can she keep the emotions she used to feel for Jacen in check Because if her deception works and she becomes his bride she'll have full access to the palace and she can destroy The Vale from the inside But with powerful players vying for control of the ring and a dark magic rising outside the kingdom there's far more at stake than just the crown Return to the magical world of the Vale in the second book of the Vampire Wish series and get ready for twists and turns that you'll never see coming Element Princess: Book Two Jenaia Williams,2013-12 As the journey continues for the brave and beautiful Element Princesses they learn that their enemies numbers don't diminish they evolve New members of the Docks take matters into their own hands and intend to ruin the princesses and their allies at all cost Some member's team up while other simply follow their instincts Each princess experiences her own turmoil as the days pass They must fight these battles on their own Their powers will not always assist them Will they be able to come to terms with more Demon Lords the news of their titans waking up and the introduction of their weapons the Zygotes With the Docks on the move and more obstacles to overcome the princesses must conquer all and face their inner turmoil or else it will be the end Book Two Evolution **Rogue Prince** Cameron Drake,2018-12-31 A war between Vampires is looming The future of Vamp and humankind rests on my teenage shoulders
