Bible which is absolutely packed with genuinely useful information Ken sets the stage by detailing the history of the Morgan  
motor company describes the marque s motorsport record and then in great detail chronicles the evolution of each four  
cylinder model Next comes a huge amount of practical advice on maintenance repair and modification of these cars advice  
based on information gathered over a number of years from a host of Morgan owners and specialists around the world This  
book s guidance on restoration techniques will prove to be a real boon to those undertaking a rebuild or considering the  
purchase of a car in need of restoration Again this advice is based upon experience as Ken restored his own concours  
winning Morgan Part of the Morgan experience is the social scene that embraces the marque on a worldwide basis so Ken  
devotes a whole chapter to Morgan clubs and their activities The last part of the book is a series of appendices comprised of  
technical data sheets wiring diagrams lubrication charts Lucas electrical equipment data sheets details of specialists  
distributors and manufacturers and details of Morgan miniature models Altogether this work is a unique source book of
