When an interview was set for the second day, the following day with the company, all the technology workers present recommended a meeting for Monday. They thought that company would not respond to give us the home opening as we did not have a job offer. The company's owner, upon talking to us, said that they were offering that position and they had a job offer. We were a little disappointed that we were not able to get the job. It was a good experience, however, as we were able to see the company's owner and talk to him about the job.

Editorial Note: we want to also state that both groups (a) and (b) have been selected by computer as individuals who responded quickly to a survey before the survey was terminated.

It will cost average households an average price, said an EPA press officer. From last winter to spring through, prices in some communities shot as high as \$100 a gallon, according to the EPA. The agency said that prices in some communities are still high, but that the average price is down to about \$10 a gallon, according to the EPA. L. Shastri, Ganesh Vasudeo Tagare, 2004-01-01 The Purana is a class of literature that treats of ancient religion philosophy history sociology politics and other subjects It is an Encyclopaedia of various branches of knowledge and ancient wisdom It has been defined as a class of literature that contains material on the topics of Creation Dissolution of Manus Ages of Manus Genealogies and the History of glorious kings For dealing primarily with these subjects it has been called Pancalaksana a little that was incorporated in the Puranas themselves and had become popular by the Fifth Century A D for it was included by Amarasingha in his lexicon Amarakosa But as the process of interpolation continued the Pancalaksana definition was found inadequate The Puranic redactors adopted a Dasalaksana definition that suited the contemporary text Still the dynamic forces were at work and the process of insertion modification and abridgement went on and it was soon discovered that the Dasalaksana definition too fell short of an actual fact It was found that the Puranas contained certain aspects that were not covered by any of the five or ten characteristics Besides some of the characteristics covered by the Pancalaksana or Dasalaksana definition were not found in certain Puranas In fact the Purana as a class represents the different phases and aspects of the life of diverse ages It is impossible to adopt a standard definition for the class of literary composition that contains heterogeneous phases and aspects Moreover a definition framed on the numerical basis of points is bound to be imperfect The Puranas are divided into two classes the Mahapuranas and the Upapuranas Each class consists of eighteen Puranas Thus the number of the Puranas is thirty six *Further with Knowledge Graphs* Mehwish Alam, Paul Groth, Harshvardhan J.
