Digital Darwinism Evan I. Schwartz,2002-02-19 Don t let the rapid evolution of the Internet economy leave your business extinct before its time Here are the key strategies you need to keep your company alive growing and profitable in today s volatile Web climate The dramatic boom that took place in the Web economy is over The glory days when companies with strong ideas and weak business plans could easily get millions to

launch their businesses are long gone and in today's tougher more cutthroat economic arena natural selection is rampant. Companies need to be smarter, faster, more innovative and more adaptable than ever before just to survive, let alone succeed. In *Digital Darwinism*, Evan Schwartz provides seven business strategies that can make or break any Web business. In a new preface and updated case studies, Schwartz discusses the dramatic rise and fall of the Web and analyzes the companies that have made it and those that haven't, from Priceline to Pets.com, and spells out step-by-step techniques such as building your brand, remaining flexible as supply and demand fluctuate, and integrating the Web into every part of your business. The perfect source for everyone from novice entrepreneurs to corporate CEOs, *Digital Darwinism* provides a comprehensive and unflinching look inside the highly competitive world of e-commerce and distills the critical strategies that Web-based businesses need to follow in order to survive in what has become the world's fastest and most dangerous marketplace.

Start Your Own e-Learning Business, Entrepreneur Press, 2004-07-01 In the Information Age, the personal computer is becoming as pervasive as the telephone and television. It accesses vast stores of constantly changing information, and the ability to navigate it, and the Internet has become a professional necessity for a majority of white and blue collar jobs. And the key to opening that doorway is computer-based learning, e-learning. Using computers for education and training, an industry that barely existed a decade ago, is a fast-growing business opportunity for enterprising people who enjoy helping others learn and who are comfortable with computers. *Start Your Own e-Learning Business* shows you how to become the person people turn to when they need to catch up on essential skills and knowledge. This guide covers the vast selection of roles you can choose from, including Teaching businesses, computer basics, management techniques, or programming skills. Publishing guides to help employees understand their firm's software. Producing interactive content that explains products to customers. Creating Web sites to help students do their homework or seniors hone their Internet skills. Providing content marketing help or tech services for other e-learning firms. Brokering classes, recruiting students, or reselling CD-based courses for other businesses.
