Paperbound Books in Print, 1984 *Current Catalog* National Library of Medicine (U.S.), 1993 First multi year cumulation covers six years 1965 70 **Routledge Library Editions: Spiritualism** Various, 2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology **The North American Idea** Robert A. Pastor, 2011-07-21 In its first seven years the North American Free Trade Agreement NAFTA tripled trade and quintupled foreign investment among the U S Mexico and Canada increasing its share of the world economy In 2001 however North America peaked Since then trade has slowed among the three manufacturing has shrunk and illegal migration and drug related violence have soared At the same time Europe caught up and China leaped ahead In *The North American Idea* eminent scholar and policymaker Robert A Pastor explains that NAFTA s mandate was too limited to address the new North American agenda Instead of offering bold initiatives like a customs union to expand trade leaders of the three nations thought small Interest groups stalemated the small ideas while inhibiting the bolder proposals and the governments accomplished almost nothing To overcome this resistance and reinvigorate the continent the leaders need to start with an idea based on a principle of interdependence Pastor shows how this idea once woven into the national consciousness of the three countries could mobilize public support for continental solutions to problems like infrastructure and immigration that have confounded each nation working on its own Providing essential historical context and challenging readers to view the continent in a new way *The North American Idea* combines an expansive vision with a detailed blueprint for a more integrated dynamic and equitable North America
