Read the short story and answer the questions using complete sentences.

One day Jake and his sister Molly woke up to see that everything was covered in snow. After they listened to the radio with their mom, they found out that all schools were closed and it was a snow day! Jake wanted to build a snow fort, have a snowball fight and make a snowman. Molly wanted to go ice skating at the pond, build a snowman and go sledding.

They first called their friends and decided to have a snowball fight. It was boys versus girls! After playing for an hour, they all worked hard to make a snow fort. Molly gathered sticks and leaves to make flags to stick in the fort. When they finished, it looked like a snow castle.

When they were done with the snow fort, they decided that it needed a snowman guard. They built a snowman in front of the castle and named him Captain Snow Guard. It was starting to get dark when they finished building their snowman so they decided to go sledding down a hill before going home.

When Jake and Molly arrived back home, their mom was waiting with hot chocolate and marshmallows. It was the perfect ending to a great snow day!

1. What one thing did both Jake and Molly want to do?

2. How did Jake and Molly find out they were having a snow day?

3. What was the first thing they did on the snow day?

4. What was Molly's job when they made the snow fort?

5. What was the one thing they did not get to do during their snow day?
