Style and Intersubjectivity in Youth Interaction Dwi Noverini Djenar, Michael Ewing, Howard

Manns,2018-02-19 This book examines how style and intersubjective meanings emerge through language use It is innovative in theoretical scope and empirical focus It brings together insights from discourse functional linguistics stylistics and conversation analysis to understand how language resources are used to enact stances in intersubjective space While there are numerous studies devoted to youth language the focus has been mainly on face to face interaction Other types of youth interaction particularly in mediated forms have received little attention This book draws on data from four different text types conversation e forums comics and teen fiction to highlight the multidirectional nature of style construction Indonesia provides a rich context for the study of style and intersubjectivity among youth In constructing style Indonesian urban youth have been moving away from conventions which emphasized hierarchy and uniformity toward new ways of connecting in intersubjective space This book analyzes how these new ways are realized in different text types This book makes a valuable addition to sociolinguistic literature on youth and language and an essential reading for those interested in Austronesian sociolinguistics
