The Essential Guide To Becoming A Flight Attendant Kiki Ward:

The Essential Guide Kiki Ward, 2008 **Working the Skies** Drew Whitelegg, 2007-06-01 Get ready for takeoff The life of the flight attendant a.k.a. stewardess was supposedly once one of glamour exotic travel and sexual freedom as recently depicted in such films as *Catch Me If You Can* and *View From the Top* The nostalgia for the beautiful carefree and ever helpful stewardess perhaps reveals a yearning for simpler times but nonetheless does not square with the difficult demanding and sometimes dangerous job of today's flight attendants Based on interviews with over sixty flight attendants both female and male labor leaders and drawing upon his observations while flying across the country and overseas Drew Whitelegg reveals a much more complicated profession one that in many ways is the quintessential job of the modern age where life moves at record speeds and all that is solid seems up in the air Containing lively portraits of flight attendants both current and retired this book is the first to show the intimate illuminating funny and sometimes dangerous behind the scenes stories of daily life for the flight attendant Going behind the curtain Whitelegg ventures into first class coach the cabin and life on call for these men and women who spend week in and week out in foreign cities sleeping in hotel rooms miles from home *Working the Skies* also elucidates the contemporary work and labor issues that confront the modern worker the demands of full time work and parenthood the downsizing of corporate America and the resulting labor lockouts decreasing wages and hours worked job insecurity and the emotional toll of a high stress job Given the events of 9/11 flight attendants now have an especially poignant set of stressful concerns to manage both for their own safety as well as for those they serve the passengers Flight attendants originally registered nurses charged with attending to passengers medical needs now find themselves wearing the hats of therapist security guard and undercover agent This last set of tasks pushing some as Whitelegg shows out of the business altogether *Jobs for Travel Lovers* Ronald L. Krannich, Caryl Rae Krannich, 2003 Dispelling 54 myths exploring key motivations and outlining effective job search strategies this handbook surveys hundreds of jobs for travelers and includes contact information on potential employers **WHAT CAN I DO NOW: TRAVEL and TOURISM, 2ND EDITION** Ferguson Publishing, 2010 Travel and Tourism Second Edition offers invaluable straightforward advice in an easy to read accessible format for students looking to get started on their career path Job profiles include Adventure travel specialists Bed and breakfast owners Cruise line workers Flight attendants Hotel concierges Hotel managers Pilots Tour guides Travel agents Travel writers *How To Become A Flight Attendant* Flight Attendant Source, Traveling the world receiving amazing discounts on hotels and flights meeting new people and living life in the fast lane what's not to love about being a flight attendant But wait here's going to be more to your flight attendant career than all the glitz and glamour you may see and hear about In this e-book guide you'll learn everything you need to know about beginning a successful career as a flight attendant You'll also get a clear understanding of what's required to become one Are you ready to learn more about becoming a flight attendant and decide if it's the right career for you Let's begin *The Ultimate Guide*
