We proudly display our beef in the centre of the dining room. The pale pink and orange wall is made of Himalayan salt bricks that do more than just look good. The salt purifies the air & naturally removes moisture. The dry-aging process infuses an unforgettable flavor as it tenderizes the meat. All our steaks are kept in the cooler for 28-45 days; the concentration of flavor creates the highest quality product.

CANADIAN PRIME

Prime grade beef features abundant marbling; red meat laced with an even distribution of fat. The presence of this fat creates a more tender and juicy cut of beef that cooks well in all conditions. Only 2% of graded beef is given Prime grade.
