Lunn,2014-10-01 Although traditionally accepted by the church down through the centuries the longer ending of Mark s Gospel 16 9 20 has been relegated by modern scholarship to the status of a later appendage The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark and upon matters of language and style This work shows that these primary grounds of argumentation are inadequate

It is demonstrated that the church fathers knew the Markan ending from the very earliest days well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices and the continuation of various themes prominent within the body of the Gospel. Furthermore, the writings of Luke show that the Gospel of Mark known to this author contained the ending. Rather than being a later addition, the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission, probably in Egypt during the second century.

Dodge and Plymouth Muscle Car 1964-2000 Peter C. Outback for Novices Bruce Clark, 2017-05-29 In this riveting new novel, the Australian Minister of Defence goes missing when her helicopter crashes in the Australian Outback. Meanwhile, the perpetrators of a terrorist attack on Surfers Paradise, Australia's beach playground, have survived their attack and are being illegally detained nearby at an outback base for interrogation. Foreign agents arrive in the area and attempt to free the terrorists. Will the minister become a hostage for their release? Security forces believe the answer might come from Saxony Knight, a citizen infiltrator of the Paradise attack, but she's disappeared from surveillance. An attack on the base sets off a manhunt across the outback, but who are they hunting and why? The only connection appears to be Saxony Knight.

Outback for Novices A Saxony Knight Thriller is the sequel to *Paradise for Beginners*. A review of the first book by Julie Thompson reads: "From the tongue-in-cheek title to the expertly constructed plot, there is nothing of a beginner about this book, a first for the author. It is a gripping ride: swim, climb, run and dive through a complex story of Middle Eastern family revenge, espionage, surveillance and flawed processes, and people played out on one of the world's most glamorous yet seedy playgrounds. The narrative is time-lapsing, intricately detailed and written in mostly dialogue, which demands careful and concentrated attention. It begins with the beautiful but damaged Saxony Knight, who boards a luxury cruiser on the Tweed River and is taken hostage by two young Middle Eastern brothers. Australian National Security have placed Saxony there to foil the plot, but can she? It's a frightening plausible tale."

Willey's Here Willey Moore, 2019-10-15 Willey's

Here is the true story of Wildey Moore's seven decades on the gun business. It charts how without a college education Moore became a great innovator designing not only the first gas-operated pistol, the Survivor, but also the JAWS Justice Pistol for the King of Jordan. The book further recounts how while recovering from a stroke international players including former CIA members attempted to seize Moore's then multi-national business, but his faith in God gave him the strength to hold on to fight and win back the company he had built over forty years. While Wildey's Here is a story of survival, it's also the story of how a man came to trust in the Lord during the most trying time of his life and charts the changes Wildey witnessed in the United States as the country forsook morality and embraced immorality, starting down the road to decline. Make America great again, no MAKE AMERICA GOOD AGAIN. *Popular Mechanics*, 2005-02. Popular Mechanics inspires, instructs, and influences readers to help them master the modern world. Whether it's practical DIY home improvement tips, gadgets, and digital technology information on the newest cars or the latest breakthroughs in science, PM is the ultimate guide to our high-tech lifestyle.

Israeli Mythogynies Esther Fuchs, 2012-02-01. This book is the first to systematically examine the representation of women by mainstream Hebrew authors from the Palmah Generation to the New Wave. Fuchs' unique analytical method exposes the male-centered bias which often inspires the works of such prominent and widely translated authors as S. Yizhar, Moshe Shamir, A. B. Yehoshua, and Amos Oz. She exposes both the continuities and the transformations in the literary representations of women and explains them in innovative ways grounded in aesthetic, social, political, and cultural conditions and ideologies. The bold and unexpected discoveries offered by this book illuminate the complex ways in which Israel's political predicaments, for example, affect the representation of women, as well as the various ways in which Israeli literature uses female images to express the anxiety and frustration arising from these predicaments. This pioneering study will be invaluable to feminist literary critics, scholars, and teachers and students of modern Hebrew literature.
