Lección 4A: Barrios con carácter

To begin the lesson, show students photos of points of interest in the La Latina neighborhood of Madrid: restaurants, streets, markets, cafes, and more. Use the photos to review and introduce vocabulary related to places in a city and to give students a sense of the atmosphere of La Latina. Ask students: *¿Qué es la Latina?* *¿Por qué? ¿Qué es una? ¿Qué es?*

La Latina en directo (B6–B7)

Introduction

Introduce the theme of the lesson by showing students' attention to the photograph on p. B6 of the Madrid neighborhood La Latina. Ask students: *¿Qué hay en la foto?* and *¿Es un barrio tradicional o moderno?* Answer: *es muy*! This may also work to have students look at the master guide and map on p. B7 to locate La Latina. Ask students: *¿Qué más hay en La Latina?* There can refer to both the response for the barbershops and to some on the map. (Possible answers: restaurantes, tiendas, bares, iglesias, plazas, parques, calles, parques de metro y de taxi.)

1

Objective: Reading comprehension Identifying global information in a written text, exposure to new vocabulary

2

Have students read the short reading and identify responses. Read the directions to the first activity, along with the questions. Encourage students to be reading. Read the text aloud and then give the three questions to the class. Ask: *¿Por qué La Latina es un barrio tradicional y moderno al mismo tiempo?* Students should identify in what ways La Latina can be considered "traditional" and in what ways it can be considered "modern."

3

Objective: Listening comprehension Identifying global information in an audio format, exposure to close changing verbs

4

Remind students that they are not expected to understand every word of the audio recording, but that they should focus on key vocabulary words to get the gist of the conversation. Play the audio recording and ask students to listen for and get down key words. After they listen, make students to share the key words they noted, and write them on the board. If necessary, play the recording a second time. Then have the class answer the questions in **Activity 2**. Point out that the present tense are all present. After working through the activity, introduce the conjugation of the verb *gustar* (showing students' attention to the stem change). You may want to write the conjugation on the board in a two-column format and show students how *gustar* is another kind of verb. You may also write to IR# on p. B6. You may also want to point out the use of *gustar* in the questions and *gustar* in the answers.

Expansion

To give students additional practice with *gustar* in and *gustar* *que*, have them brainstorm a list of neighborhoods in the city or town where you college is located, and a list of activities that can be used to describe neighborhoods. Then have students work in pairs, asking each other: *¿Qué gustos de + (noun/pronoun)?* and answering: *Me gusta que + (subject)*. After students have finished, point out to them that in English we often have not the verb that the expression of *que* is an adjective, but that *que* is mandatory in Spanish.
