No Reluctant Citizens Jeremiah Clabough, Timothy Lintner, 2018-06-01 American democracy is at a critical crossroads Rancor division and suspicion are the unfortunate byproducts of the contentious 2016 presidential election The election also bred a measure of civic uncertainty where citizens of all ages struggle to find and define their roles within a functioning democracy No Reluctant Citizens Teaching Civics in K 12 Classrooms is designed to help social studies teachers reinforce the centrality of civic education through a series of hands on participatory and empowering activities From civic literacy to human rights from service learning to controversial issues No Reluctant Citizens Teaching Civics in K 12 Classrooms explores an array of topics that ultimately provides K 12 students the conceptual and practical tools to become civically engaged *Civic Education* Richard G. Niemi, Jane Junn, 2005-05-11 Sound democratic decisions rely on a citizenry with at least a partial mastery of the rules and workings of democratic government American high schools where students learn the basics of citizenship thus ought to play a critical role in the success of democracy Yet studies examining the impact of high school government and civics courses on political knowledge over the past quarter century have generally shown that these courses have little or no effect In this important book Richard G Niemi and Jane Junn take a fresh look at what America's high school seniors know about government and politics and how they learn it The authors argue convincingly that secondary school civics courses do indeed enhance students' civic knowledge This book is based on the most extensive assessment to date of civic knowledge among American youth the 1988 National Assessment of Education Progress NAEP Civics Assessment The authors develop and test a theoretical model to explain the cognitive process by which students learn about politics and they conclude by suggesting specific changes in the style and emphasis of civics teaching **New Zealand Farmer Weekly** ,1930 **Civic Education for Diverse Citizens in Global Times** Beth C. Rubin, James M. Giarelli, 2013-10-11 This book explores four interrelated themes rethinking civic education in light of the diversity of U S society re-examining these notions in an increasingly interconnected global context re-considering the ways that civic education is researched and practiced and taking stock of where we are currently through use of an historical understanding of civic education There is a gap between theory and practice in social studies education while social studies researchers call for teachers to nurture skills of analysis decision making and participatory citizenship students in social studies classrooms are often found participating in passive tasks e.g. quiz and test taking worksheet completion listening to lectures rather than engaging critically with the curriculum Civic Education for Diverse Citizens in Global Times directed at students researchers and practitioners of social studies education seeks to engage this divide by offering a collection of work that puts practice at the center of research and theory **The Future of Civic Education** Elizabeth Yeager Washington, Keith C.

Barton,2024-10-01 Speaking to the need to move beyond traditional formulations this textbook presents radical visions for transforming civic education in the United States Drawing on the experience of educators and scholars including those rooted in feminist queer abolitionist global and race conscious perspectives this work offers new practical ideas for civic education reform Responding to recent political crises many scholars educators and public commentators have called for a rebirth of civic education but these all are grounded in the premise that the goal of civic education should be to teach students about the U S Constitutional system and how to operate within it This book argues that the U S governmental system including the Constitution is infused with racist and anti democratic premises and procedures It asks How can we seek a new path one that is more democratic more equitable and more humane A diverse range of leading civic educators who are willing not just to push the boundaries of civic education but to operate outside its assumptions altogether explore what future possibilities for civic education might look like and how these innovative ideas could be implemented in the classroom Combining theory with practice *The Future of Civic Education* will be important reading for those studying or researching in social studies methods social studies issues citizenship and civic education It will also be beneficial to social studies teachers at elementary and secondary levels as well as policymakers and non governmental organizations NGOs

The Morality of Democratic Citizenship Robert Freeman Butts,1988 In recent years a number of political and educational leaders and groups have urged the nation s public schools to place a greater emphasis on teaching civic values and on educating students to become citizens This book puts forth the civic values and ideas that schools should be teaching The volume is not a handbook or curriculum guide but is designed to broaden the perspective of curriculum specialists textbook authors teachers and educational policymakers In the first three chapters of this four chapter book the study of and learning about history the study and learning about constitutional principles and the study and learning about conceptions of citizenship are examined The final chapter offers a set of 12 ideas and civic values that should suffuse teaching and learning in the schools These 12 values are justice equality authority participation truth patriotism freedom diversity privacy due process property and human rights DB *Civic Education* David Snedden,1922 **The Civic Education Project ...**

Educational Research Corporation,Educational Research Corporation. Civic Education Project,1948 **Civic Education in the Elementary Grades** Dana Mitra,Stephanie C. Serriere,2015 As former elementary school teachers the authors focus on what is possible in schools rather than a romantic vision of what schools could be Based on a 5 year study of an elementary school this book shows how civic engagement can be purposive and critical a way to encourage young people to examine their environment to notice and question injustices and to take action to make a difference in their communities and school Focusing on the intersection of student voice and critical inquiry the book describes how to embed civic engagement into curriculum school decision making processes and whole school activities Chapters provide an overview of what research has demonstrated about civic engagement at the classroom school and community levels including detailed descriptions of

activities and lessons for practice Classroom teachers school principals community members and teacher educators can use this resource to foster a deeper richer understanding of what is entailed in civic life Book Features A vivid portrait of a typical public school that wants to do more than teach to the test An examination of the conditions that enable young people to participate in democratic practices including identifying and questioning injustices Concrete examples of student voice and critical inquiry in classroom contexts Practices and activities that encourage children to get along with others exchange perspectives and work across differences Offers a suggestive range of evidence that high quality civic engagement initiatives can enhance students academic social and emotional engagement It reveals the nitty gritty of how experienced teachers can enable children who are immersed in meaningful civic work also to engage more deeply with mathematical problem solving peer collaboration literacy and social studies learning and development of empathy and mutual trust From the Foreword by Meira Levinson Mitra and Serriere show us not only that elementary aged children are capable of civic engagement but how such engagement can be nurtured in the classroom Children can be active civic participants this book demonstrates both the power of this idea and how we might accomplish this essential task Beth C Rubin Rutgers University
