

Electronic Brake Control For 2 and 4 brake applications

READ THIS FIRST:

Read and follow all instructions carefully before installing or operating the Brake Control. Keep these instructions with the Brake Control for future reference.

Components of the Brake Control

- A. Power Knob
- B. Manual Slide Knob
- C. Bi-Colored Light
- D. Bracket Mounting Holes
- E. Built-In Mount Bracket
- F. Level Knob
- G. Mounting Screw Hole

Important Facts to Remember

- Do not mount or activate B7 processing (see all pages, see your trailer) until there is a "C" in the Brake Control.
- CAUTION:** Disconnect the connection to a secondary battery on the trailer will destroy the Brake Control.
- CAUTION:** Disconnect trailer plug from the tow vehicle prior to using a secondary switch or any other device the Brake Control.
- The light is:
 - GREEN when trailer is connected.
 - RED when brake pedal or manual is activated and trailer is connected.
- The GREEN light shows 8 milliseconds of current from tow vehicle. It would take over 10,000 times to drain the tow vehicle battery.
- CAUTION:** The level adjustment is CALIBRAL. The level adjustment determines whether automatic braking response is delayed or aggressive.
- The brake control is activated by inertia. It senses deceleration and generates an output that reflects the inertia sensed. In a stationary state, the brake control will not apply the trailer brakes unless the Manual Slide Knob is activated.
- CAUTION:** The Gross Combined Weight Rating (GCWR) must never exceed the vehicle manufacturer's maximum.
- This control specifically designed for use with electric trailer brakes.
- For Technical Assistance and Warranty Information call: 1-888-765-5932 or www.colsonusa.com

JUN 2008 REV 11 00007

NOTE: You may need to partially rotate level knob as many as 45 times depending upon your mounting angle.

- CAUTION:** Rotate the Level Knob (F) to the left (POWER) or right (AGGRESSIVE) until a flash of ORANGE is visible. Bi-Colored Light should show:
 - DATA ORANGE for a typical setting.
 - RIGHT ORANGE for an aggressive setting.
 - DATA RED for a more aggressive setting.
- Release brake pedal.

NOTE: When the brake control is leveled properly there will be very little current flowing through the brake magnets in a static state with the tow pedal depressed. The brake magnets will heat when there is current flowing through them. Adjust the Bi-Colored Light shows any color other than GREEN, there is current flowing through the brake magnets.

Adjusting the Power to the Trailer Brakes

Once the control has been installed and properly leveled, it is necessary to set the power needed to stop the trailer during a braking event.

- Connect trailer to tow vehicle.
- Set Power Knob to the 12 o'clock position.
- Drive tow vehicle and trailer on a dry level paved surface at 25 mph and apply manual slide knob.
- If trailer brakes lock up:
 - Turn power down using power knob.
- If braking was not sufficient:
 - Turn power up using power knob.
- Repeat Steps 1) until power has been set to a point just below wheel lock up on a wet-

Installation Guide

- CAUTION:** The Brake Control must be mounted from 0 degrees to 70 degrees from up-ward to down. Failure to install Brake Control within these constraints may cause your control to become inoperable.

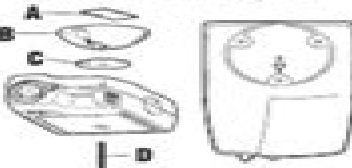

Traditional Bracket Mount

- A. Mounting Bracket (6x 1/8" Screws)
- B. Mounting Ball (6x 1/8" Screws)

- CAUTION:** Drilling or use of longer screws may damage unit.
- Securely mount bracket to a solid surface.
- Insert supplied 6x 1/8" screws on each side into the mounting holes.
- Adjust Brake Control to desired position and tighten screws until snug.

Under Dash Mounting Ball

- A. Double Sided Tape
- B. Mounting Ball
- C. Power Knob
- D. Mounting Screws

Fine Tuning

Now that the Power has been set, it is time to fine tune the level setting for the majority of the stopping that you will be doing.

- Make several slow (25 MPH) stops as if coming up to a stop sign and take notice of how the trailer brakes respond.
- Brake Lock Too Much**
 - You have an Aggressive Setting. To correct this condition rotate level knob to the LEFT (AGGRESSIVE - more Decelerate).
- Trailer Drifting to Push Tow Vehicle**
 - You have a Delayed Setting. To correct this condition rotate level knob to the RIGHT (AGGRESSIVE - more Aggressive).
- Repeat until desired trailer braking is achieved.

NOTE:

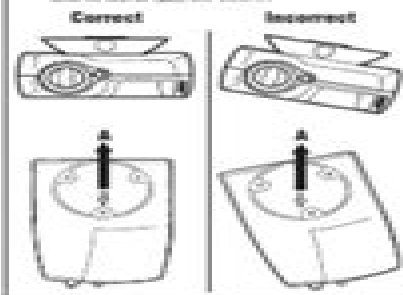

- Always warm the trailer's brakes before setting the power. Warm trailer brakes tend to be more responsive than cold brakes. To warm trailer brakes, drive a short distance (1/4 mile) at 45 MPH with manual lever engaged enough to cause trailer braking at a low level.
- CAUTION:** The power should never be set high enough to cause trailer brakes to lock up. Locking trailer wheels can cause loss of directional stability of trailer and tow vehicle.
- The power may need to be adjusted for different load weights and road conditions.
- Not all trailer brakes will lock up due to various conditions. However, inability to lock up the brakes generally indicates the need for an increase to decelerate the control.
- When the power is set correctly you should feel needed braking between the trailer and tow vehicle.

NOTE:

- Mount on top of Mounting Ball must point forward away from tow vehicle, see above photo.
- Press to mounting, shown above with all proper clearance to 20-70 degree allowed mounting.
- Attach double sided tape (A) to top of Mounting Ball (B).
- Temporarily attach Mounting Ball (B) to dash using other side of double sided tape.
- Using Mounting Ball (B) as a template, drill 1/8" 1/8" holes for a 4th screw slot.
- Secure Mounting Ball (B) to dash using 1/8" 4x 1/8" screws supplied.
- Insert Mounting Screw (D) through bottom of brake control.
- Place Power Knob (C) on top of brake control inserting Mounting Screw (D) through small hole.
- Attach brake control to Mounting Ball.
- Rotate brake control to desired position and tighten until snug.

NOTE:

- Front of the Brake Control must be horizontal, see below.
- The Brake Control must be parallel to direction of travel (A), see below.

Troubleshooting Chart

Situation	Probable Cause
Tow vehicle connected to trailer, NO GREEN light.	- Corrosion on trailer plug contact. - Loose POWER or GROUND connection.
Tow vehicle connected to trailer, light is GREEN, when Manual Slide Knob is activated. A. No RED light.	- POWER set all on near minimum. - Short on BRAKE line (BLUE wire). - BLACK & WHITE wires reversed, control destroyed. 12 volts from external source on BRAKE line (BLUE wire).
B. Light is one RED or flashing RED.	- Open on GROUND line (WHITE wire). - Short on BRAKE line (BLUE wire). - Short on BRAKE line (BLUE wire). - Defective brake magnets.
C. Light glows dim, RED and gets brighter as POWER knob is decreased.	- Sensor set too aggressive, see LEVELED SENSOR. - Power set too high.
Braking with foot pedal is too aggressive.	- Sensor set too aggressive, see LEVELED SENSOR. - Power set too high.
Braking is delayed for extended periods.	- Sensor set improperly, see LEVELED SENSOR. - Power set too low.
Tow vehicle connected to trailer, brake pedal depressed. A. No RED light.	- Vehicle not moving, need to be moving for sensors to apply. - No signal from brake light, test voltage on RED wire. - Sensor set improperly, see LEVELED SENSOR. - Bad connection on RED wire. - Wires strangled near.

Appendix A: Trailer Brake Adjustment**

Brakes should be adjusted after the first 200 miles of operation when the brake drum and shoe have "settled" and at 1000-mile intervals, or so on and performance remains. The brake should be adjusted in the following manner:

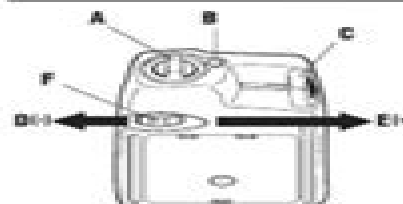

- Back up truck and secure in adequate concrete pad.

Levelling the Sensor

Adjust the brake control has been accurately mounted the level adjustment must be set.

NOTE:

- Due to the fine tuning capability of the inertia level adjustment, the level knob can be rotated 10-15 turns from stop to stop. This equals roughly 45 percent turn across the finger index on the bottom of the control.
- CAUTION:** This brake control is activated by inertia and requires the level to be set properly, or the braking response will be too harsh or ineffective.
- To properly level the sensor, the trailer and tow vehicle must be parked on a level surface and trailer must be connected to tow vehicle.
- The brake control has been shipped from the factory with the level knob adjusted to the maximum constant deceleration position. Therefore, the level knob will only rotate clockwise from the factory shipped position.

- A. Power Knob
- B. Bi-Colored Light
- C. Manual Slide Knob
- D. DELAYED (Delayed)
- E. AGGRESSIVE (Aggressive)
- F. Level Knob

- Connect trailer to tow vehicle, Bi-Colored Light (B) should glow GREEN.
- Set Power Knob (A) to maximum (flashed clockwise).
- Depress tow vehicle's brake pedal and hold. Bi-Colored Light (B) should glow bright RED.
- Rotate the Level Knob (F) to the left (clockwise DELAYED) until the Bi-Colored Light (B) starts to change colors from RED to GREEN.

*Note: With drag springs used, a modified adjusting procedure will be used.

- There is no standard in the opposite direction until the wheel is fully with a slight drag.

Tekonsha Envoy Owners Manual

Brendan G. Carr

Tekonsha Envoy Owners Manual:

Getting the books **Tekonsha Envoy Owners Manual** now is not type of inspiring means. You could not abandoned going when books accretion or library or borrowing from your links to gain access to them. This is an definitely simple means to specifically get lead by on-line. This online notice Tekonsha Envoy Owners Manual can be one of the options to accompany you when having new time.

It will not waste your time. put up with me, the e-book will entirely tune you extra situation to read. Just invest little become old to log on this on-line notice **Tekonsha Envoy Owners Manual** as skillfully as review them wherever you are now.

Tekonsha Envoy Owners Manual Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Tekonsha Envoy Owners Manual PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Tekonsha Envoy Owners Manual PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Tekonsha Envoy Owners Manual free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Tekonsha Envoy Owners Manual Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tekonsha Envoy Owners Manual is one of the best book in our library for free trial. We provide copy of Tekonsha Envoy Owners Manual in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tekonsha Envoy Owners Manual. Where to download Tekonsha Envoy Owners Manual online for free? Are you looking for Tekonsha Envoy Owners Manual PDF? This is definitely going to save you time and cash in something you should think about.
