**Performance and Dementia** Nicky Hatton,2021-01-28 This book explores how theatre and performance can change the way we think about dementia and some of the environments in which dementia care takes place Drawing on the author s creative practice and other performance projects in the UK it explores some of the challenges and opportunities of making performance in care homes Rather than focusing on the transformative potential of the arts it asks how artists can engage with the different types of relationships that exist in a care community These include the relationships that residents and staff have with each other as well as relationships with care spaces Exploring the intersection between participatory performance and the everyday creativity of a care home it argues that the arts have a cultural role to play in supporting dementia care as a relational practice Moreover it celebrates the intrinsic creativity of caregiving and how principles and practices of care work can inform theatre and

performance in diverse ways      **Dementia-Friendly Communities** Susan McFadden, 2020-11-19 Creating dementia friendly communities can give people with dementia the chance to continue meaningful lives with reciprocal personal relationships Underpinning successful dementia friendly communities is an awareness of people with dementia as active citizens and the importance of supporting engagement in community life This book offers an overview of the dementia friendly communities movement showing the many benefits of this approach It describes community initiatives from across the globe such as Dementia Friends memory cafes and creative engagement with the arts through organizations like TimeSlips This compassionate book tells another story about dementia away from negative stereotypes This alternative approach claims people can retain a sense of dignity hold onto hope sustain meaningful relationships and live with a sense of purpose with support from their communities      *How Public Libraries Build Sustainable Communities in the 21st Century* Kaurri C. Williams-Cockfield, Bharat Mehra, 2023-09-08 Public libraries through their mission vision and position in the community play a significant part in building community sustainability and are already positioned to serve as a backbone support organization for collective impact initiatives      *Applied Theatre: Creative Ageing* Sheila McCormick, 2017-08-10 Applied Theatre Creative Ageing examines the complex social political and cultural needs of a diverse group in our society and asks how contemporary applied theatre responds to those needs It allows an examination of innovative national and international practice in applied theatre that responds to the needs of older adults to encourage outcomes such as wellbeing and social inclusion The book does this while also questioning how we as a society wish to respond to the complex needs of older adults and the process of ageing and how applied theatre practices can help us do so in a way that is both positive and inclusive In Part One Sheila McCormick reviews and historicises the practice of applied theatre with for and by the elderly It argues that pioneering applied theatre strategies are vital if the creative practice is to respond to the growing needs of older members of society and reflects on particular cultural responses to ageing and the elderly The second part of the book is made up of essays and case studies from leading experts and practitioners from Britain America and Australia including consideration of applied theatre approaches to dementia health wellbeing social inclusion and Alzheimer s disease

Performing the Queer Past Fintan Walsh, 2023-08-24 Tender and rigorous this book invites readers to linger with difficult pasts and consider how best to grasp their hauntings demands and manifestations in the present This is a book about mourning as well as holding a simultaneous act of exhumation and a laying to rest anna six author of *Madness Art and Society Beyond Illness* This is an extraordinary book in which queer theatre and performance become sites of celebration and resistance as well as holding the potential for performers and audiences to work through painfully felt yet difficult to articulate experiences towards feelings of hope Replete with rigorous generous and creative readings it is also a meditation on Walsh s own emotional engagement with queer theatre and performance and how our cultural attachments can sustain enliven and contain us Noreen Giffney psychoanalytic psychotherapist and author of *The Culture Breast in Psychoanalysis*

Why do contemporary queer theatre and performance appear to be possessed by the past What aesthetic practices and dramaturgical devices reveal the occupation of the present by painful history How might the experience of theatre and performance relieve the present of its most arduous burdens Following recent legislation and cultural initiatives across many Western countries hailed as confirming the darkest days for LGBTQ people were over this book turns our attention to artists fixed on history's enduring harm Guiding us through an eclectic range of examples including theatre performance installation and digital practices Fintan Walsh explores how this work reckons with complex cultural and personal histories Among the issues confronted are the incarceration of Oscar Wilde the Holocaust racial and sexual objectification the AIDS crisis and Covid 19 alongside more local and individual experiences of violence trauma and grief Walsh traces how the queer past is summoned and interrogated via what he elaborates as the aesthetics and dramaturgies of possession which lend form to the still stinging aches and generative potential of injury injustice and loss These strategies expose how the past continues to haunt and disturb the present while calling on those of us who feel its force to respond to history's unresolved hurt
