

A detailed photograph of a motorcycle engine's internal timing chain assembly. The image shows various gears, including a large crankshaft gear on the left and a smaller camshaft gear on the right, connected by a timing chain. Two green arrows point to two specific bolts on the timing chain slider. A text box is overlaid on the left side of the image, providing instructions on how to remove these bolts to facilitate the removal and replacement of the timing chain. The engine is housed in a blue frame, and the timing cover is partially removed, revealing the internal components.
