Riddle, Catherine Kozak, 1997-06 Home of Insiders Publishing Inc s worldwide headquarters this guide book started the series From Corolla to Nags Head to Hatteras and Ocracoke islands more than 100 miles of coastline are detailed in the only guidebook of its type to N C s barrier islands *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Envisioning Eden** Noel B. Salazar, 2010-11-01 As tourism service standards become more homogeneous travel destinations worldwide are conforming yet still trying to maintain or even increase their distinctiveness Based on more than two years of fieldwork in Yogyakarta Indonesia and Arusha Tanzania this book offers an in depth investigation of the local to global dynamics of contemporary tourism Each destination offers examples that illustrate how tour guide narratives and practices are informed by widely circulating imaginaries of the past as well as personal imaginings of the future *A Field Guide to Tropical Plant Families* Roland Keller, 2023-03-12 This book provides an identification system permitting recognition of plant families in all seasons by means of morphological and macroanatomical features which are easily observable such as bark exudates stems and leaves characters Studies of forest vegetation may differ in their underlying objectives but they all require taxonomic knowledge The process of taxonomy begins with an inventory of the flora which has been based to a large extent on reproduction related organs such as flowers and fruits But those are often difficult to observe and may not exist in the field at a given time Unlike most such guides or keys this book can be used anywhere in the tropics and provides in a straightforward two or three step process identification to the level of families which are now circumscribed according to molecular as well as morphological characters in the universally accepted scheme of the Angiosperm Phylogeny Group Plant architecture is not a prerequisite theme for plant identification however we think that an introduction to this subject is not out of place in this book architectural traits are taxonomically sound it is now time for botanists working in the tropics to have an idea on how the whole organism keeps growing Within the family accounts there is information concerning important economic plants with notes on the larger genera and particularly helpfully discussion of families readily confused and how to separate them Descriptions of the families rely on short diagnosis bolstered by many photographic pictures lines drawings and extracts from the author s field books all showing features of plants as they are found in the forest *Subject Guide to Books in Print*, 1997 **Gale's Auto Sourcebook**, 1992 Guide to information on cars and light trucks **Narrative Matters** Dr Grant Bage, Grant Bage, 2012-10-02 In recent years there has

been a massive revival of interest internationally in what story can offer to education This book covers a range of issues at the heart of teaching history such as the use of talk the pitfalls of narrative as a pedagogical tool translating curriculum content into lessons story telling and story making It also questions what it means to teach the difficulties for teachers of remaining constructively critical of policy and their own practice during periods of national legislation and change **The**
