Titanic Jim Whiting, 2007-03 The sinking of the ocean liner Titanic in 1912 was one of the most famous events of the twentieth century The ship was the largest and most luxurious passenger liner of the age While she was being built Titanic was described as practically unsinkable Yet she went down on her maiden voyage after striking an iceberg More than 1 500 passengers and crew members perished in the frigid waters of the North Atlantic Nearly all died because the ship didn't carry enough lifeboats Yet according to the shipping regulations at the time Titanic actually carried more lifeboats than she was legally required to Many people also believe that the ship was traveling too fast Yet her captain wasn't doing anything different than nearly every other liner at that time The sinking attracted worldwide media interest This interest has never lessened The loss of the Titanic is just as fascinating today as it was on the day it occurred **The Titanic in Print and on**
