Pentecostal and Holiness Statements on War and Peace Jay Beaman,Brian K. Pipkin,2013-08-30 Many Pentecostal groups have forgotten their legacy of war resistance and doctrinal history opposing killing To rectify this loss we have catalogued Holiness and Pentecostal denominational statements on war and peace Numerous Holiness groups and virtually all early Pentecostal groups had some form of pacifist statement against war This antiwar collection gives us an almost uniform picture of the early Pentecostal movement as largely pacifist in orientation The commonality of these statements across both Holiness and Pentecostal movements is evidence they are a continuous group and not two separate movements While their early doctrines opposed killing many named in this book are now widely considered to be stalwarts of the Religious Right or at least staunch supporters of Christian participation in war Our hope is that this book will frame the official position of early Pentecostals on war and peace and encourage Pentecostals today to reflect on their antiwar heritage

Spirit-Empowered Christianity in the 21st Century Vinson Synan,2011-02-01 What does a re vision of the Charismatic Pentecostal Spirit empowered movement look like in the coming years of this millennium The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well If any generation ceases to accentuate this emphasis the movement likely will forfeit the right to be recognized as such When the Pentecostal message is preached published and proclaimed through triumphant song an atmosphere is sustained for people to experience anew and again the reality of salvation holiness charismata wholeness and hope Such a revival will be biblically based rationally sound traditionally accurate and experientially real Spirit Empowered Christianity in the 21st Century is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa OK in April 2010 These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century For example one portion covers the topic of the 21st century renewal while another discusses how we can protect our Charismatic distinctive Another portion will highlight Charismatic adaptations for reaching this present age discussing issues of social and economic justice prosperity and suffering challenges to urban ministry the future of the next generation Oneness Pentecostalism and missiological aims in North America **106-2 Joint Committe Print: Annual Report on International Religious Freedom 2000, S. Restoring Identities Upolu Lumā Vaai, Mark A. Lamport, 2023-11-03 In a sense Oceania can be considered a microcosm of World Christianity. Within this region are many of the same observable trends on the global level that impact Christian life, faith, and witness. The geography of Oceania, the liquid continent, is unique. Christianity arrived in Australia and New Zealand in the late eighteenth century via British colonial powers. Indigenous Aboriginal peoples, Torres Strait Islanders, and Māori peoples were dispossessed of land, property rights, and dignity. Christianity grew by migration and conversion, not always voluntary, and over time became tightly intertwined with culture. In the twentieth century, rapid secularization moved Christianity into the private sphere, and by 2020, Christian affiliation had dropped from 97 percent to 57 percent. However, the history of Christianity in the Pacific Islands—Melanesia, Micronesia, and Polynesia—is quite different. Christianity arrived via Protestant and Catholic missionaries between the fifteenth and nineteenth centuries and grew substantially in the twentieth century largely due to indigenous Christian efforts. Islanders brought Christianity to neighboring islands; indigenous theologies developed, and churches gradually separated from their Western mission founders. One of the great success stories of World Christianity is Papua New Guinea, which grew from just 4 percent Christian in 1900 to 95 percent in 2020. However, growth is never the entire story. Violence against women is endemic in Papua New Guinea and is often combined with accusations of witchcraft. An estimated 59 percent of women have experienced physical or sexual violence in their lifetime, and 48 percent in the last year. As Christianity continues its shift to the global South, it becomes increasingly critical to heed the experiences, perspectives, and theologies of Christians, particularly women, in the Pacific Islands.

Oneness Pentecostal Churches Bruce Tucker, 2002-05-13 There are approximately 111 separate sects and denominations that are classified as Oneness Pentecostal Churches. These congregations are found in nearly every city and town in the United States as well as around the world. They get their distinctive name from the fact that they do not believe in the orthodox doctrine of the Trinity. They believe that all who do believe in the Trinity are spiritually lost because they have adopted a pagan doctrine. They differ from other Pentecostals and the rest of the historical church on several important issues, earning them the title of a Pseudo-Christian Cult by established cult-watching organizations and cult experts. The book *Oneness Pentecostal Churches* examines the claims, doctrines, and practices of these fellowships. It addresses the issues in a manner comprehensive enough to satisfy the professional minister yet clear enough to meet the needs of laypeople who are seeking answers about this significant movement. The questions discussed in the book include:

- 1 Who are Oneness Pentecostals?
- 2 Why are Oneness Pentecostals called the people of the name?
- 3 Is the doctrine of the Trinity really pagan?
- 4 Is there a three-step pathway to salvation?
- 5 Does water baptism save?
- 6 Is speaking in tongues required for salvation?

For those interested in understanding the Oneness Pentecostal movement, this book is required reading.
