**Spintronics Handbook, Second Edition: Spin Transport and Magnetism** Evgeny Y. Tsymbal, Igor Žutić, 2019-05-20 The second edition offers an update on the single most comprehensive survey of the two intertwined fields of spintronics and magnetism covering the diverse array of materials and structures including silicon organic semiconductors carbon nanotubes

graphene and engineered nanostructures It focuses on seminal pioneering work together with the latest in cutting edge advances notably extended discussion of two dimensional materials beyond graphene topological insulators skyrmions and molecular spintronics The main sections cover physical phenomena spin dependent tunneling control of spin and magnetism in semiconductors and spin based applications *Desegregating Dixie* Mark Newman,2018-10-04 Winner of the 2020 American Studies Network Book Prize from the European Association for American Studies Mark Newman draws on a vast range of archives and many interviews to uncover for the first time the complex response of African American and white Catholics across the South to desegregation In the late nineteenth and first half of the twentieth century the southern Catholic Church contributed to segregation by confining African Americans to the back of white churches and to black only schools and churches However in the twentieth century papal adoption and dissemination of the doctrine of the Mystical Body of Christ pressure from some black and white Catholics and secular change brought by the civil rights movement increasingly led the Church to address racial discrimination both inside and outside its walls Far from monolithic white Catholics in the South split between a moderate segregationist majority and minorities of hard line segregationists and progressive racial egalitarians While some bishops felt no discomfort with segregation prelates appointed from the late 1940s onward tended to be more supportive of religious and secular change Some bishops in the peripheral South began desegregation before or in anticipation of secular change while elsewhere especially in the Deep South they often tied changes in the Catholic churches to secular desegregation African American Catholics were diverse and more active in the civil rights movement than has often been assumed While some black Catholics challenged racism in the Church many were conflicted about the manner of Catholic desegregation generally imposed by closing valued black institutions Tracing its impact through the early 1990s Newman reveals how desegregation shook congregations but seldom brought about genuine integration *Social Measurement through Social Surveys* Julie Gibbs,2016-04-01 How do academic social scientists and survey professionals use social measurement techniques How are these techniques applied to specific concepts in empirical research This book is an important resource for students academic and professional researchers offering an overview of both new and practiced methods of social measurement for quantitative survey research It will provide readers looking to investigate hot social science topics with a way of learning how key measurement techniques can be utilised in that topic in a practical way Emerging from the editors widely used work on an online social survey resource offering information on key social surveys and their questionnaires entitled Question Bank this book aims to take this material further It elaborates on the problems involved with this resource type providing a comprehensive and unique volume that will enable the reader to have the confidence to use this technique in their own research ***Spirits Captured in Stone*** Jay H. Bernstein,1997 This fascinating case study focuses on shamanism and the healing practices of the Taman a formerly tribal society indigenous to the interior of Borneo The Taman typically associate illness with an encounter with spirits that both seduce and torment a

person in dreams or waking life Rather than use medicines to counter the effect of these discomfiting visitors the shamans called baliens use stones that are said to contain the convergence of wild spirits that have come into being during the initiation ceremony P 209      **Transactions of the Medical Association of Georgia at Its ...
