Under the Moon's Shadow: Richard Wise's Chronicles recounts the life and adventures of Richard Wise from his early years until adulthood. It all started during a family vacation when Richard Wise's life took an unexpected turn. Orphaned by tragedy, he contends with grief and the weight of newfound abilities—gifts that defy the laws of nature. Richard's intelligence, physical strength, and speed surpass human limits, yet his temper remains a tempest he cannot control. Expelled from school because of his aggressive behavior, Richard's adoptive parents seek solace in a quiet Florida town, hoping for a fresh start. But fate has other plans. When Richard crosses paths with Master Chan, a mysterious martial artist and philosopher, his destiny shifts. Under the old master's watchful eye, Richard immerses himself in a world of combat techniques, the fluid grace of Kung Fu, the precision of Karate, and the stealth of Ninjutsu. Yet it is not just physical prowess that Master Chan imparts; he teaches Richard the delicate balance between strength and restraint, the essence of true power. However, Master Chan has a dark secret of his own. His life story is a recounting tale of bloodshed, vengeance, clandestine killings, and savage murder. Richard's desire to adventure into the world has him joining the Navy. Richard's abilities propel him into the skies as a fighter pilot. In a desperate dogfight, he risks everything to save his best friend, narrowly escaping death. But the aftermath leaves him scarred, both physically and emotionally. Disobeying orders, he faces expulsion from the military, a path that leads him into the shadowy world of the Yakuza. Within the criminal underworld, Richard discovered that a killer assassin, known only as The Dark Shadow, killed a dear person in his life. His journey becomes a high-stakes game of survival where every move could be his last. Richard's disagreement with the Yakuza's business causes him to fight for his life. In the middle of the action and adventure, temptation arrives as a beautiful woman enters his life. Would he stay loyal to the love of his life or succumb to desire? In the world, Richard navigates tangling shadows, bringing about a constant blend of danger and trust, making it difficult to distinguish between the two. Will he have the skills to survive a duel to death with the Dark Shadow? The answers to this and many others lie in the pages of *Under the Moon's Shadow: Richard Wise's Chronicles*.
