English Edition Japan, 1947 Webster's Complete Dictionary of the English Language ... revised ... by C. A. Goodrich ... and N. Porter ... assisted by Dr. C. A. F. Mahn ... New edition of 1880, with a supplement of new words, and an additional appendix of biographical names. (Authorized and unabridged edition.) With a portrait Noah Webster, 1846 A Dictionary of the English Language Noah Webster, 1854 **Medieval English Church** G.W. Bernard, 2012-06-26 The later medieval English church is invariably viewed through the lens of the Reformation that transformed it But in this bold and provocative book historian George Bernard examines it on its own terms revealing a church with vibrant faith and great energy but also with weaknesses that reforming bishops worked to overcome Bernard emphasizes royal control over the church He examines the challenges facing bishops and clergy and assesses the depth of lay knowledge and understanding of the teachings of the church highlighting the practice of pilgrimage He reconsiders anti clerical sentiment and the extent and significance of heresy He shows that the Reformation was not inevitable the late medieval church was much too full of vitality But Bernard also argues that alongside that vitality and often closely linked to it were vulnerabilities that made the break with Rome and the dissolution of the monasteries possible The result is a thought provoking study of a church and society in transformation **English Translation and Classical Reception** Stuart Gillespie, 2011-02-23 English Translation and Classical Reception is the first genuine cross disciplinary study bringing English literary history to bear on questions about the reception of classical literary texts and vice versa The text draws on the author's exhaustive knowledge of the subject from the early Renaissance to the present The first book length study of English translation as a topic in classical reception Draws on the author's exhaustive knowledge of English literary translation from the early Renaissance to the present Argues for a remapping of English literary history which would

take proper account of the currently neglected history of classical translation from Chaucer to the present Offers a widely ranging chronological analysis of English translation from ancient literatures Previously little known unknown and sometimes suppressed translated texts are recovered from manuscripts and explored in terms of their implications for English literary history and for the interpretation of classical literature A New English Translation of the Pentateuch: Being a Thorough Correction of the Present Translation, ... Together with a Comment on Such Passages as Cannot be Sufficiently Understood by a Mere Translation. ...
