The Soul-Catcher's Calling Nigel J. Jamieson LL.D, 2020-01-08 There are hot spots sink holes and hell holes all over the earth They move around a bit Baghdad in Iraq has been often a hot spot Kabul in Afghanistan is another Then there s the sink hole of Tehran in Iran together with the recently war torn Damascus in Syria Don t blame the places nor even the folks New York in the USA London in the UK and Brussels in the EU are no different for being sometimes politically sinking hot spots or terrorist targeted hell holes In terms of prophetic history a welter of the world s biggest cities are everyday battlegrounds from which governmental academics compartmentalise their own specialist solutions Most of these solutions whether military or civic fall so far short of the cosmic solution as to escalate the existing state of world disorder Sure enough without a barebones history of hell there s no point to fixing up hell holes Without the briefest history of heaven it s also pointless to shore up sink holes And as for the world s hot spots you have to look as deep into the souls of the good guys as you do into the souls of the bad guys But you can t just walk off from compartmentalising a problem and expect it to sort itself out For a workable solution you ve got to bring back all the component parts together again that you first took apart and make them work together That s exactly why this Soul Catcher s Calling stops at nothing short of dealing with all things both under the sun and beyond the sun Soul catching is a military operation at first under command and then undertaken entirely by personal commitment All such tours of duty overseas will be carefully monitored and guided by the most experienced of guardian angels However perilous the front line travel none who seriously commit themselves to this soul catching operation shall get left behind

Two Wings Poetry Janice Louise Thompson,2024-12-24 As a child starting in the third grade I always loved creative writing This was the subject I liked best All of my writing seem to be poetic in form And with an imaginative power of rhyming It seemed that everything I wrote The first word would sound like the last For example love from above I never knew why this was As I grew older my writing did not Change very much Rhyming of words always made me smile I did not realize that this became my style of writing As I got older on into my adulthood As I would read the Bible Certain scriptures would peak my interest I would write off to the side what it meant to me Always in poetic style Such as Luke 8 15 those with a noble and good heart In the form of a poem I would scribble these poems on whatever Piece of paper that was Available and date it In 2009 I had a brain aneurysm During that time God was healing me I began putting these scribblings in dated order As I shared these poems and thoughts With my daughter and grandsons They were so inspired by them They encouraged me to write a book Of poems thoughts and quotes I started sharing with others As I was called on to recite my poems I was encouraged To publish them and share with others I amazed myself by what I had written I realized that it wasn t about me This was meant for others to read and see See with the spiritual eyes [Hymns We Love Leader's Guide](#) Steve

Cramer,Pippa Cramer,2023-08-01 Leader s Guide for those leading this evangelistic course that shares the good news of Jesus with elderly people by exploring the Christian beliefs expressed in some of the nation s best loved hymns Older adults are the fastest growing age demographic across the Western world and yet there are few materials to support churches who want to help this older generation hear about God s love Hymns We Love aims to fill that gap It is a gentle outreach program which uses well loved hymns to share the good news of Jesus and key truths about God s character in an accessible way Many in this generation have grown up singing these hymns at school church or Sunday school and they have therefore proved to be a non threatening and accessible way to connect with seniors and help them to engage with the gospel The series comprises five video sessions Each one tells the story of the hymn writer how the hymn came to be and the Christian message behind it Across the five sessions Hymns We Love will help bring the core truths of the Christian story alive in a way

that is gentle warm and clear The video sessions also feature beautiful renditions of the hymns filmed in a historic English village church along with testimonies and prayers There are also three introductory sessions for Christmas and for Easter and a third which can be used at any time of the year This Leader s Guide will equip you to lead this enjoyable ministry outreach program that reaches out to the older people in your community
