

Up And In

Jin-Ying Zhang

Up And In:

Up and Over Dave Hadfield, 2011-11-18 Along the way he met the people whose enthusiasm for the game has made it so durable current and former internationals as well as others involved at all levels as well as a few miserable old gits for balance In this intimate account Hadfield observes the way rugby league fits into the history and sociology of towns like Wigan and Castleford with which it is synonymous His record of the journey is in the great tradition of writers from Wordsworth to Laurie Lee who found in long walks the perfect medium to explore and reflect upon their surroundings Up and Over is the definitive book about the game and the local passions it engenders as Hadfield seeks out the poignant and the humorous on a personal journey of discovery For those who follow rugby league it will give a unique perspective on the parts of the world they know intimately for others it will be an introduction to a different world seen via one of the elements that gives it its identity *Catching Up And Falling Behind: Post-communist Transformation In Historical Perspective* David

A Dyker, 2004-07-05 In this collection of essays David A Dyker explores some of the most difficult and fascinating aspects of the process of transition from autocratic real socialism to a capitalism that is sometimes democratic sometimes authoritarian The stress is on the economic dimension of transformation but the author sets the economic drama firmly within a political economy framework and a historical perspective Trends in key economic variables are analysed against the background of the struggle between different social and political groups for power and command over resources While the book pays due attention to topical issues like EU enlargement the underlying perspective is a long term one Transition is viewed not as a set of once and for all institutional changes or a process of short term stabilisation but as a historic opportunity to solve the inherited problem of poverty and underdevelopment in Central East Europe and the former Soviet Union The book ends with a critical assessment of how economics as a discipline has coped with the challenge of that historic opportunity Economic Opening Up and Growth in Russia Evgeny Gavrilenko, Paul J.J. Welfens, Ralf Wiegert, 2004-01-21 After a decade of sharp economic decline Russia switched to an impressive period of economic growth Yet the economic record is still mixed and many key problems remain unresolved both in the economic sphere and the political system The focus is on economic dynamics in Russia reasons for its hesitant opening up process as well as the special role of the natural resources sector which is expected to continue to grow This analysis highlights the existing deficiencies of the Russian economic system and raises doubts about the sustainability of growth Twin focus is on required reforms and endogenous forces that impair liberalizing trade and investment in an orderly way Russian discussions on WTO and other international topics are reflected

Therapy, Stand-Up, and the Gesture of Writing Jonathan Wyatt, 2018-12-07 Therapy Stand Up and the Gesture of Writing is a sharp lively exploration of the connections between therapy stand up comedy and writing as a method of inquiry and of how these connections can be theorized through the author's new concept creative relational inquiry Engaging often poignant stories combine with rich scholarship to offer the reader provocative original insights Wyatt writes about his work

as a therapist with his client Karl as they meet and talk together He tells stories of his experiences attending comedy shows in Edinburgh and of his own occasional performances He brings alive the everyday profound through vignettes and poems of work travel visiting his mother mourning his late father and more The book's drive however is in bringing together therapy stand up and writing as a method of inquiry to mobilise theory drawing in particular from Deleuze and Guattari the new materialisms and affect theory Through this diffractive work the text formulates and develops creative relational inquiry With its combination of fluent story telling and smart theoretical propositions *Therapy Stand up and the Gesture of Writing* offers compelling possibilities both for qualitative scholars who have an interest in narrative performative and embodied scholarship and those who desire to bring current complex theories to bear upon their research practices

Getting Boys Up and Running in the Early Years Julie Cigman, 2016-12-01 *Getting Boys Up and Running in the Early Years* addresses the fact that boys do less well than girls in all areas of learning in the Early Years and continue to lag behind girls in assessments throughout their school careers This book draws on current research to provide practical advice on ways in which Early Years practitioners can create positive learning environments for all children It explores how best to match provision to all children's learning styles aiding their progress in personal social and emotional development communication and language and physical development Final chapters show how learning in all other curriculum areas can follow in a carefully designed environment Key points explored include the environment we can create to enable both boys and girls to become confident and autonomous learners ways that practitioners can evaluate and enhance provision to improve levels of well being and involvement physical development and the value of active challenging and adventurous play practical ways to stimulate language development planned activities and rich experiences that support holistic learning in an inspiring environment Giving clear guidance on helping boys to meet high expectations in a playful and creative way *Getting Boys Up and Running in the Early Years* is an essential read for anyone working to create a positive foundation for boys in Early Years education

The African-American Woman's Guide to Successful Make-up and Skin Care Alfred Fornay, 1998 PERSONAL GROOMING Fornay former creative director for Revlon Cosmetics presents a how to handbook for all women of color He covers the health and beauty of the skin its maintenance and treatment and applying make up

Microservices: Up and Running Ronnie Mitra, Irakli Nadareishvili, 2020-11-25 Microservices architectures offer faster change speeds better scalability and cleaner evolvable system designs But implementing your first microservices architecture is difficult How do you make myriad choices educate your team on all the technical details and navigate the organization to a successful execution to maximize your chance of success With this book authors Ronnie Mitra and Irakli Nadareishvili provide step by step guidance for building an effective microservices architecture Architects and engineers will follow an implementation journey based on techniques and architectures that have proven to work for microservices systems You'll build an operating model a microservices design an infrastructure foundation and two working microservices then put those pieces together as a single

implementation For anyone tasked with building microservices or a microservices architecture this guide is invaluable Learn an effective and explicit end to end microservices system design Define teams their responsibilities and guidelines for working together Understand how to slice a big application into a collection of microservices Examine how to isolate and embed data into corresponding microservices Build a simple yet powerful CI CD pipeline for infrastructure changes Write code for sample microservices Deploy a working microservices application on Amazon Web Services [Linking Up and Reaching Out in Bangladesh](#) Henry K. Bagazonzya,Zaid Safdar,A.K.M. Abdullah,Cecile Thioro Niang,Aneeka Rahman,2010-01-21 The microfinance sector in Bangladesh has matured rapidly in the past 30 years and now boasts the largest number of clients in the entire world Despite these successes the day to day operations of most microcredit institutions in Bangladesh are done manually The introduction of a centralized information and communications technology ICT platform in the microfinance sector will provide further cost savings by streamlining data so that errors omissions and duplications client overlap are eliminated Moreover the introduction of a centralized ICT platform will help to ensure transparency through the standardization of information exchange and accounting mechanisms increase outreach to rural areas and integrate the largely informal microfinance sector with the formal financial system Linking Up and Reaching Out in Bangladesh shows how the establishment of a centralized microfinance platform would revolutionize the country s microfinance sector This volume will be a useful guide for practitioners policy makers and microfinance institutions around the world **Start-up and Entrepreneurial Communication** Alexander Godulla,Linjuan Rita Men,2024-06-21 This book delves into the dynamic field of start up and entrepreneurial communication addressing a significant research gap Start up and entrepreneurial communication is a critical practice for organizations in their early stages of development Characterized by their innovative and growth oriented nature these organizations often find themselves in a constant state of re evaluation and reinvention As such the competencies within these organizations frequently struggle to match the real time changes Addressing this gap this book provides scientifically sound answers to defining and systematizing start up and entrepreneurial communication It delves into central areas of discourse exploring the intricate balance between a start up s brand identity and strategic communication as well as the crucial role of internal communication Additionally the book offers insights into the highly innovative realm of crowdfunding complementing its comprehensive exploration of start up communication This volume will be a key resource for scholars students and practitioners in the emerging field of entrepreneurial and start up communication It was originally published as a special issue of the International Journal of Strategic Communication **Metabase Up and Running** Tim Abraham,2020-09-30 Ask questions of your data and gain insights to make better business decisions using the open source business intelligence tool Metabase Key FeaturesDeploy Metabase applications to let users across your organization interact with itLearn to create data visualizations charts reports and dashboards with the help of a variety of examplesUnderstand how to embed Metabase into your website and send out

Malone,2003 A corporate learning centre gives every employee access to learning and development when where and how they want This book provides a concise and highly practical guide to creating such a centre whilst identifying common pitfalls

Start-Up and Emerging Companies Gregory C. Smith,2024-11-28 Start Up Emerging Companies Planning Financing Operating the Successful Business brings you the legal and business savvy of leading experts investment banking and venture capital firms

Yes, You Can Do This!

How Women Start Up, Scale Up, and Build The Life They Want Claudia Reuter,2020-02-14 How women can lean in to entrepreneurship to create the life they want Claudia Reuter left a promising corporate career to raise her two young children but realized when re entering the workforce that the gap in her resume looked like a gap in ambition not a purposeful plan Instead of leaning into a corporate career and fighting the structures and systems designed by and for men decades ago or leaning out and giving up income Claudia took a different path That decision ultimately led to success in the corporate world and at home In Yes You Can Do This Claudia shares her own reasons for starting a business and makes a call to action for women to consider entrepreneurship so that they can create businesses with the rules they want and change the

playing field for others making a significant impact in the world More than a how to book on building a business Yes You Can Do This provides clear examples and practical resources to help others create the life they want through entrepreneurship In Yes You Can Do This you ll learn How to develop and share your vision How to deal with stereotypes and unconscious bias How to leverage perceived weaknesses and turn them into strengths How to balance life at high speeds and avoid burnout How to cultivate the confidence to move from idea to creating a company with the culture and rules you want Claudia provides women with an electrifying third career option it s not just lean in or lean out but startup and change the playing field for others in the process Praise for Yes You Can Do This It s rare to find a book on entrepreneurship that fuels your heart with inspiration and encouragement and your mind with practical tangible things you can put into action immediately but this is one of them As a woman who has started three companies and been a senior team member of five startups this is the guide I wish I d read when I was starting out Nataly Kogan Author of Happier Now and founder of Happier Inc Combining compelling storytelling with practical tactical advice Reuter has created a manifesto for the next generation of female founders Rooted in the research around gender and work this is a must read for women looking to launch the next new thing Jennifer McFadden Associate Director of Entrepreneurial Programs Yale School of Management A must read for any woman considering taking the leap into entrepreneurship You Can Do This brings together today s best thinking about women in the workplace with practical advice for creating your dream career and life by starting a company Whether you are just curious or ready to take the leap this book is a great read and a valuable resource Anna Barber Managing Director Techstars Claudia helps not just the female entrepreneur but all entrepreneurs find their footing in what can be an overwhelming whirlwind of starting a business This book is not only inspiring and uplifting but positively necessary for any woman looking to find success in the startup space Shira Atkins Co founder CMO Wonder Media Network Stories of entrepreneurial success exist in abundance for men who receive 97.8% of venture funding and hold 95% of CEO roles What is most inspiring about Claudia s book making me want to shout from the rooftop is that it is told from the perspective of an everyday woman who pushed hard through barriers doubts and setbacks that any entrepreneur would face On top of all that she overcame obstacles that are uniquely ours as women today Claudia is now a standout among women but with her book in hand women who want to build a business to scale have a blueprint and path to do so Here s to making dreams come true Coco Brown CEO and Founder The Athena Alliance As I read through the book there were multiple points where I thought Every man in any startup or fast growing business should read this As a man in technology I took away lots of new ideas along with examples that were explained in a way that I wouldn t have been able to do prior to reading Claudia s book Brad Feld Managing Director at Foundry Group author of Venture Deals and Do More Faster Reuter breaks the stigma about mothers that chose to leave the workforce She provides practical tools to start a business by showing the path to success for every woman that wants to write her own rules Sharon Kan CEO of Pepperlane Co Founder of the WIN Lab Reuter manages

to put into words what women have been facing and feeling for decades She leaves the readers with stories steps and inspiration to create the career path they are worthy of no matter if it s starting from scratch or breaking glass ceilings This book will fuel the next generation of women in leadership and entrepreneurship giving them guides and confidence as it has fueled me to start the business I have always wanted Elizabeth Presta CD DONA CLD **Up and Down** E.F

Benson,2020-07-25 Reproduction of the original Up and Down by E F Benson **Close-up and Macro Photography**
Robert Thompson,2017-09-18 Focusing on fieldcraft techniques for macro and close up photography Thompson covers the vital but often overlooked skills necessary to achieve consistent professional results in the field Case studies covering a broad and often challenging group of subjects from the seashore to your back garden form the core of the lavishly illustrated book Biology life history subject behaviour and ethics along with best practice approaches are discussed in detail and underpinned with photographic tips The book is divided into four sections Digital Fundamentals Fieldcraft Methodology Portfolio Case Studies Digital Workflow Presentation covering the full photographic process from capture through to editing captioning development and storage are discussed Moving beyond the surface level approach to macro instruction this book provides readers with techniques that work in the field Illustrated with over 250 of the author s own inspiring images this publication is a must for photographers naturalists and anyone interested in improving their macro skills in the field Rent-sharing,

Hold-up and Manufacturing Wages in Cote D'ivoire Jean-Paul Azam,Catherine Ris,2001 Labor costs in Francophone Africa are considered high by the standards of low income countries at least in the formal sector Workers appear to have some bargaining power and in C te d Ivoire can force renegotiation of labor contracts in response to new investments

Handbook for Defining and Setting Up a Food Security Information and Early Warning System (FSIEWS). Food and Agriculture Organization of the United Nations,2001-01-01 The World Food Summit held in Rome in November 1996 recognised the urgent need for better information As a result the FIVIMS Food Insecurity and Vulnerability Information and Mapping System initiative was launched as a co operative venture to assist countries and the international community to identify the who where and why of food insecurity Even before the Summit many countries had established approaches for this purpose based on multidisciplinary networks at national and local levels One of these approaches developed first in French speaking Africa is the FSIEWS method Food Security Information and Early Warning System proposed in this handbook as one of the tools available to those engaged in the fight against hunger This contribution to the FIVIMS initiative is addressed to the national technical officers at central and decentralised level as well as to their collaborators from the technical assistance community **Up and Running** Susan Tobia,Judith L. Gay,2018-04-25 Community colleges are facing a leadership crisis spurred by the retirements of baby boomers from leadership positions at all levels There is a critical need to prepare leaders to deal with 21st century challenges such as dramatically improving student outcomes tackling funding issues and addressing college affordability There is also growing recognition that having internal candidates prepared to take

on leadership roles may lead to a smoother leadership transition Up and Running Starting and Growing a Leadership Program at a Community College by Susan J Tobia and Judith L Gay is a roadmap for creating a leadership program to meet the needs of colleges as well as the professional interests of employees Drs Tobia and Gay share the basics of starting a program including the application and selection processes budget and program format as well as areas including team building thinking styles decision making conflict resolution and diversity inclusion An extensive set of templates examples and key suggestions make it easy to customize a program to meet the needs of any institution Wayside Pictures Through France, Holland, Belgium and Up the Rhine Robert Bell,1862 **Green Finance and Investment Scaling Up Adaptation Finance in Developing Countries Challenges and Opportunities for International Providers** OECD,2023-11-16 This report analyses current trends of adaptation finance provided and mobilised by developed countries for developing countries It explores potential action areas for international providers to scale up funding for climate change adaptation including by unlocking the potential of the private sector
